DEVELOPMENT CENTRE - DAKAVA.

TO: Mary Ngozi 23rd June; 1986. t

Co-ordinator

A.N.C Development Centre - Dakava.

Dear Comrade Mary,

This is to draw your attention to the fact that on Friday the 20th June.
1986 comrade Phillip Dos Santos reported at the residence 1.. he
came back from Dar Es Salaam.

In our residential administrative meeting, which was attended by
comrades Bizzah, Stoneguy, myself and comrade Phillip Dos Santos
offered us this explanation:

He unexpectedly left for Dar Es Salaam (and did not have the time to
report to the Administration) to go and meet the Chief Representative,
as he was having a problem to solve with the Chief Representative
and had a little rest of some days.

The danger of a comrade leaving abruptly i.e. his/her place of
residence were underlined and the comrade saw the danger.

Yours in solidarity of MR.

Lloyd Hokete

The Commissar Raymond Mhlabe Residence-Dakawa.
