Dear Comrade Doodles,
re; Application for Tuition Fees and Clothing
- Vuxani and Sipho Kayana

The children named above are to cared for by the Movemento The
kids were brought here from 7Hganda by the ANC, because they are kids
pf a comrade who died thereo They have been under the care of Mrs
Xabanisa, the wife of late Cde Didi Kabanisa who was teaching in
Mbeya and buried by us in DARG

The kids have since their arrival in DAR been under the care of
Dre Fiki Hadebe-Reed and the ANC has not contrubuted to their main-
tenance and schooling. Dr Fiki Hadebe-Reed has kindly provided for
them.

We discussed the matter with Cde Reddyo It was felt that the
ANC should assist the kids as far as possible First we made an
approach to SOMAFCO for their admission at the College. The principal
has agreed to accept theme But this will only be possible at about
July/August, because of lack of accommodation. We are requesting
that Dr. Hadebe-Reed looks after them until then.

In the spirit of the discussion we had with Cde Reddy, we
request you to assist with the following;

- 10 Tuition fees at 200/- each per month for the
period may to Juneo The total is 1,600/-,
2. Supplies 0Ef%eceries up to the time they
join SOMAFCO, and
3. Clothing.

We hope that you will able to react soon.
