Dear Mr. Gjerding

BK  
The ANC confirms the request for the sum of Hit 1 million from  
committed DANIDA funds to the ANC for the salary budget for ANC  
personnel compelled to remain in Tanzania during the phasing out  
period from Mazimbu and Dakawa.  
Ninety one personnel were employed between July 1991 and Februefy  
1992 and 15 people will remain up to June 1992. A revised salary  
budget will be sent to you in due course.  
Please note that SIDA and the Norwegian Foreign Ministry are the  
other principal contributors towards the salary budget.  
We hope that this request can be submitted to DANIDA as soon as  
possible.  
With our appreciation to Danchurchaid for its assistance with the  
implementation of the DANIDA and NOD programmes.

Yours sincerely

W
