Comrade Graham Morodi
Chief Representative
African National Congress
Dar es Salaam

Dear Comrade Morodi,

Re: Richard Charles (Maponya)

The above is a child of cde, Otis Maponya with a Tanzanian mother.
I received the enclosed letter from the Chief Representative in Norway,
cde T. Rankoe.

This letter is a request that Richard be brought to Mazimbu.
From the letter it is clear that Comrade George Monare has been involved
with this child for some time. I think that he is able to throw light on
this matter for you to take the proper decision.

By copy of this letter I made the R.P.C. aware of the request and also
Comrade George Monare.

Yours,

In the Year of Mass Action to People's Power.
