Dear Mrs Herman

Ever so many thanks for yours of 23.05.94 congratulating me on my election as Deputy President of the Senate.

I would like to assure you though that my base is Port Elizabeth. I go to Cape Town for parliamentary session whenever there is an adjournment I'll be back in PE.

I would like to thank you for inviting me to be the Patron of the Anne Frank Exhibition in Port Elizabeth. We in this city have shown in practical terms what reconciliation and the building of one nation is. Allow me to add that much of the success of Anne Frank Exhibition here is owed to Melanie.

Please continue to do the good work for the community of Port Elizabeth.

Warmest regards
