Dear Ms. Halpin,

I wish to thank you most sincerely for your communication of October 13 1988, on the subject of citrus exports from Swaziland to Canada. The content of your letter is under serious consideration by the Government of Swaziland and a further communication will be addressed to you in the very near future.

In the meantime I should like to assure you of my Government's serious concern about the abuse of Swaziland's sovereignty by unscrupulous interests in the Republic of South Africa. Your communication with us in this regard is therefore greatly appreciated.

Yours sincerely,
