CALL FOR AN EEC BOYCOTT OF SOUTH AFRICAN COAL  
=====

The undersigned, members of parliament in \_\_\_\_\_,

Express their concern about the deteriorating situation in South Africa,

Welcome the broad range of economic sanctions imposed by the USA, the Commonwealth and the Nordic countries, one of which is a boycott of South African coal,

Express their concern that the European Economic Community lags far behind other countries of the Western world in their sanctions policies, thus de facto undermining the effectiveness of these policies,

Note that coal is among the main earners of foreign exchange for South Africa, only second to gold,

CALL UPON THE COUNCIL OF MINISTERS OF THE EEC TO DECLARE AND IMPLEMENT A BOYCOTT OF COAL ORIGINATING IN SOUTH AFRICA.
