Dear Friends,

re: ANC student/s: Steve Bodipe

In line with the policies of the ANC concerning our students studying abroad, we wish to bring to your attention the following points:

1. All requests for financial assistance to the sponsor from our students, for whatever reason, must be channeled through our office here in Stockholm. This means that the sponsor should not entertain any requests, outside of the normal stipend and allowances stipulated by the sponsorship, without approval of this office.
2. We would appreciate a full report giving details of all payments made covering the student's stay thus far, including school fees, stipends, allowances, and all extra requests(henceforth subject to ANC approval) that may have been made by the student. This report should also include an academic progress report supported by official documentation, preferably translated, from the relevant institutions.

This information, which we hope can be supplied on a yearly basis - i.e. at the end of the academic year - will also be forwarded to our Department of Education, National Scholarship Committee, and the Treasury Department.

Allow us to avail ourselves of this opportunity to express the ANC's deep gratitude to your organization for making it possible to realise some of our educational and manpower development goals.

Yours sincerely,

Lindiwe Mabuza
Chief Representative, Sweden and Finland.
