3rd May 1993

TO: Chief Representatives, Denmark
Norway
Sweden

Dear Comrades,

re: Visit of Cde Jeremiah Ndou, ANCYL International Secretary to
Finland, Sweden, Norway, and Denmark
Also refer my electronic mail communication d.d. 26/4/93

Cde Ndou is attending the Congress of the Finnish Democratic Youth League(SDNL) which, in consultation with fraternal youth organisations in the other Nordic countries, has also arranged that he be hosted in Sweden, Norway, and Denmark before returning home.

Enclosed is a copy of a letter faxed to Cde Ndou by SDNL. It gives details of the itenary as well as the youth organisations which will act as hosts.

We have asked SDNL to request that Cde Ndou meet the respective Youth Council in all the countries he visits. You may wish to follow this up with the given contacts and also, if desired, discuss with the host organisation the overall programme in your particular area.

It may also be helpful if the respective host organisations fax details of the invitation to their respective Embassies in South Africa with a request to facilitate the issuing of visas.

All ticket, accommodation, and meal requirements are being handled by the four host organisations as per agreement with each other. Arrival and departure times can be obtained from the respective organisation.

NOW IS THE TIME!

Mohamed Hussein
Chief rep., Finland.

SUBJECT: Invitation to SDNL 17th Congress

The ff msg is for CDE RAPU MOLEKANE/SEC GEN ANCYL.....

Dear Cde Rapu,

You will recall I discussed with you and Cde Ignatius the invitation from the Democratic Youth League of Finland(SDNL) to their 17th Congress during my last visit to HQ in February.

Please let us have the name of your delegate asap in order to make ticket arrangements.

The delegate is expected to arrive in Finland on the 18th of May(i.e. depart from JHB on the 17th) and will, after the Congress also travel on to Sweden, Norway, and Denmark. The delegate is expected to leave Copenhagen for home on or about the 2nd June. We will in due course give you the exact itenary and the sister organisations of SDNL in the other Nordic countries which will act as hosts.

We will send a PTA return JHB-Helsinki-JHB. The hosting organisations will arrange for transportation between the ~~the~~ designated Nordic countries.

Also arrange that the delegate obtain visas for all the countries mentioned, i.e. Finland, Sweden, Norway and Denmark. It is vital that this be done as a matter of urgency because of the time required to process the visa applications. As we do not have the possibility to clear people at the airport the need to apply for visas can hardly be overstated.

Looking forward to hearing from you soon.

Best regards,

Mohamed Hussein
