30th January, 1987.

The Regional Treasurer,  
Comrade Khaya Vanda,  
Mazimbu,  
Morogoro.

Dear Comrade,

re: Request for a project for the National  
Busmen's Union.

Acknowledgement of goods from Socialist  
Community.

i). After a visit to Mazimbu on the 24/01/87 by  
the Lacy family,, we subsequently met with Thomas  
Lacey, who is in the Executive of the National Busmen's  
Union . I was with Comrade Marius Schoon who is also  
known to the V.S.O. Director, Martin Lacey.

During our discussions on their impressions of  
Mazimbu, Thoms Lacey expressed the sentiment that he  
could influence his Union contribute yearly at least  
500 pounds (British) to the Primary and Day care Centre,  
in Mazimbu. To this end therefore, we should submit by  
end of February, a project for material support to his  
Union.

ii). Secondly, may we also raise the request for  
the acknowledgement of the goods received for the  
Year 1986 from the Socialist Community . We are still  
reminded by the respective Embassies w.r. to the matter.  
In the Year of Advance to People 's Power !  
Yours in struggle,

George Twala,  
Administrative Secretary.  
c.c. Chief Administrator.  
c.c. Marias Schoon.  
c.c. T.G.O. - Lusaka.
