15th August,

Mrs Rica Hodgson,  
20 Eton Hall  
Eton College Road  
London NW3.

Dear Rica,

We acknowledge receipt of your letter dated the 8th August 1980 for which we thank you.

Comrade Thomas is at the moment out of station so that it was not possible to find out what has been done in respect of the matter you raised with him which is the subject matter of your letter under reply.

Even without havind discussed this matter with comrade Thomas, it is however safe to say that our movement will certainly be happy to have your full time services. All that will be necessary realy will be to discuss with Thomas the details of what you would be specially assigned to and where when you join us next year. This we shall do as soon as he returns from his present trip.

We suggest therefore that you should commence your preparations for finally leaving the United Kingdom at the end of the year. Soon you will be informed where you will be working from in Africa.

I am sorry for the delay in handling your question.

With warm regards.

Amandla' Maatla'

Alfred Nzo  
Secretary-General.
