

Eappy Birthday Cde President!1!

On this great occassion, I wish you many more years of life, strength and health.

70 years of your life are -unique for they are forever linked and inseparable from the great historic forces and outstanding personalities, who have transformed our planet into the interest of mankind, made into reality the noblest ideals of man to be free and enjoy peace.

Through your deligence, wise stateman-ship and leadership, our people's victory .will be of immense contribution.

Long live cde President!

Happy merry Birthday!
