Dear Tony,

Many thanks for your letter of 11. I am sorry to learn communication has been poor. I shall find out why this has begun so. It strikes me you have never been to Lumaka to attend meetings of our constitution committee.

Thanks for all the harm on this omission.

Yes, I'm 70 this year. Congratulations on your 60 years. It's hard to think of it, it has not taken very long to reach 70, and I do not have the feeling that these many years yield anything worth writing home about. Still, there we are.

Best wishes, Tony,

Most sincerely,

Oliver.
