MAZIMBU.

Dear Comrade Tikly,

Dakawa Develogment Centre

Thank you for your letter of the 15th July 1985 informing us about the employment of Tanzanian labourers to weed the fields.

In endorsing the correctness of your action, I wish to reiterate the decision of the movement that we shall not employ Tanzanians on any of the projects at the Development Centre-Dakawa.

There is a large number of people in Dakawa who are not productively engaged and every effort has to be made to ensure their systematic productive engagement.

In the main address I delivered at the meeting on the Development Centre held

at Mazimbu from 14th to 16th April 1985 I mentioned that we donot have

a programme for the systematic productive engagement of our people and that

the Office of the Treasurer-General should address itself to the problem as a matter of urgency. we have therefore not departed from that position.

With Best Wishes

In the Year of the Cadre 11
