Comrade Steve Gawe .
Chief Representative
Rome
ITALY
Dear Comrade Steve,
The lifting of sanctions will open up greater possibilities for
international trade and investment with South Africa.
We are eager to ennnrn that it is not "business as usual", and
that those sectors of our community who have been kept out of the
maluuLLewM of economic activity are given the opportunity to
participate more fully in the economic life or our country.
We request that you make a list of all institutions in your hrea
of operation, who are either already in South Africa orlare
potential partners.
This is urgent and we request some feedback before the QStH
October 1993.
Also,oan you give us an indication of all training possibilities.
In the year of votes for all!
