Dear Comrade,

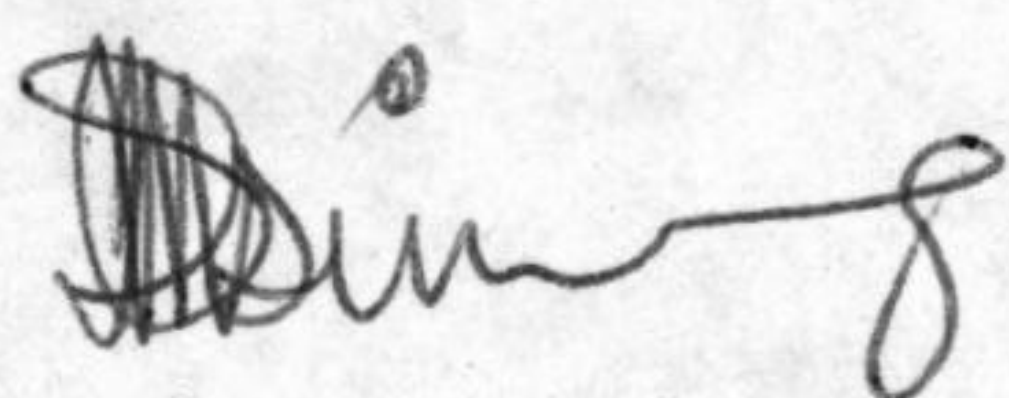

RE: Application for membership: Lucy Msimang

My name is Lucy Msimang, wife of the late Shaka Msimang who was a member of the African National Congress. When I got married to the late Shaka, I thought it was automatic for me to be a member of the movement. I have since discovered that this is not so.

I therefore wish to apply for membership of the African National Congress. I agree totally with the strategies and tactics of the ANC including its policies. I am prepared to serve the movement in whatever capacity.

I wish my application will meet your favourable attention.

AMANDLA !!

Lucy Msimang.
