

30th June, 1986.

Report of the Administrative Co-ordinator to the Zonal Administration
Dakawa.

1. Introduction:

This is to introduce comrade Oswald Dennis who is amongst us as a senior member of the Regional leadership and as we all know he is Project Manager.

We are happy to have him here with us and that we also think that he will be of grate help in helping to solve the problems we face as well as strengthening our political structures in terms of political guidance.

2. Directorate meeting:

This meeting is still pending since the last meeting was appraised of it's report. We hope to hold one in the near future.

3. Transport:

- The tractor is now under office transport as the Administration agreed. This has proved useful though there are still some minor problems here and there, but I'm reasonably satisfied.
- Comrade Moss is now nearing the lifting of his suspension as transport officer. He's left with 2 weeks.
- 2 meetings with the transport department have been held in order to review our transport problems; e.g time keeping, maintenance of cars, usage, fuel situation, individual reports on cars as they are allocated to drivers bellow;
- Moss Matebese Niva TZ 69366
- Sizwe Mota Mercedes bus
- Mike Lungu Land Rover
- Themba Mokoena Toyota vannette/Hanomack
- Mary Ngozi Niva TZ 69364
- Danlee Mackie Tractor
- Comrade Ralph Ngcakane and Isaac Mlizi have been excused by the Co-ordinator from driving pending feed back on their positions from the Administration in Mazimbu.
- There are 2 cars which are serving comrade Dennis as he is Project Manager of both Mazimbu and Dakawa, and comrade Emily Dennis who commutes daily with her garmentry factory staff

- to Mazimbu, i.e Comrades Joyce, Toti, Mpho and Mike of the electrical department.
4. The tailoring unit continues with it's work of repairs and the sewing of mosquito nets for the comrades at Raymond Mhlaba residence.

5. Housing Committee:

The housing committee has'nt had any meetings i.e to come up with new ideas of how to administer V4 as was suggested to them as one of their tasks. All it's members are still present.

6. Incentives:

There has always been a technical mistake from the office side. This mistake being that Sundays were taken as a working days where as most of us are free and resting. Those of us whom will be on duty on Sundays , this will be observed properly and he/she will be marked present and get his/her allowance. There are other departments like the Medical team which works 24hrs a day, there time sheet is being marked accordingly.

7. Department of Man-power and Deployment:

Comrade Vusi Nqubuka is doing a good job as the Representative for the D.M.D Dakawa Zone.

8. Day Care Centre:

We have transferred comrade Toti Masina to the garmentry factory and she was replaced by comrade Brenda Zulu, and comrade Pinkie Thusie replaced comrade Terrence Qabe whom was transferred to the C.B.R

Yours

In this year of MK.
