Membership application

Dear Comrade

Re: Application for membership of the ANC (SA)

I am a Soviet citizen married to an ANC member David Nyirenda. We got married in Rostov - on - Don, USSR where he was studying journalism. We arrived in Zambia from the Soviet Union in 1985. Since then we have resided in Kitwe, Zambia. We have two children Patricia Nyirenda 8 yrs old and Lina Nyirenda 4½ yrs old.

By profession I am a medical nurse for Day Nursery. I had thought that being married to a member of the ANC automatically conferred membership on myself and my offspring but have since been told differently. I am hereby applying for full membership of the ANC. I am offering my services to the ANC Department of Health for immediate deployment if possible whilst I wait for my children and later my husband to join me in Lusaka region.

Yours sincerely

Olga Nyirenda
