Dear Mrs Muuba,

RE: REQUEST FOR REPLACEMENT OF STUDENTS.

The ANC-SA Mission here in the Republic of Zambia-Lusaka presents its compliments to your good office and has the honour to confirm that the following students MOSHOESHOE LEGOABE, JOSIAH MALINDIA, ~~DUNCAN MAHLANGU~~ AND SONNYBOY NDLOVU are bona-fide members of the African National Congress (ANC) of South Africa.

They are all students at Zimco Institute of Management for Chatered Institute of Transport, IDPM and Industrial Electricity courses respectively.

We request your office to replace those students who did not honour their scholarships with the said students.

NORAD had promised to continue sponsoring them but has since diverted funds to South Africa. We view this move by NORAD as a serious problem as the students will be forced to terminate their programmes.

We hope that this will not hamper your education policy on such matters.

Thanking you in anticipation of your favourable consideration.

Yours Faithfully.

JAPHET M. NDLOVU

Chief Representative.
