Dear Oliver Tambo,

Some time ago you were sent an invitation to participate in the International Conference of Peace Researchers and Peace Activists. We asked that you respond by May 20. As we have not received a reply from you, we are forced to conclude that for some reason you do not wish or are unable to attend the conference.

We regret having to cancel your invitation; however, time is growing short, and because the number of participants in the conference is limited, we must now see that we invite someone else in your place.

Sincerely,

A handwritten signature in dark ink, appearing to read "Peter N. Kiger". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Peter N. Kiger
