Dear Comrade Nzo,

Re: CUSO Invitation to ANC(SA) to East, Central,  
Southern Africa Regional Meeting, Maputo,  
Mozambique, March 21-25th, 1981

As you are aware CUSO is operating in all the Front-line States and assisting the liberation movements ANC(SA), and SWAPO of Namibia. We meet twice a year at our Regional Meeting to discuss our activities, plans and budgets, as well as the struggle for self-determination and human rights in South Africa and Namibia.

As part of our next meeting in Maputo we want to highlight the struggle in South Africa by reviewing our work with the ANC(SA) and looking at the movement at this present stage of developments.

I am therefore privileged to invite a senior member of the ANC(SA) to join us and assist us in our task. I should be happy to meet with you and discuss the invitation in further detail at your earliest convenience.

In solidarity,

David H. Beer  
Director  
CUSO-Zambia
