Station E,

Dear Comrade Joe Joe,

The above mentioned Body of the A.N.C. is in receipt of a copy of a letter to you from the Canadian Service (University) Overseas (CUSO) Representative in Lusaka namely, Mr Charles Nixon, dated the 28th April 76, which contents state inter alia, their organisation's/ intentions/ to promote your political work in Canada, by way of concrete support in the interest of our Movement in your area.

Point three of the letter is naturally of particular interest to us as Women, that is the recommendation deriving from their regional meeting which was held in Malawi, to have a member of the A.N.C. Women's Section to assist with the plan of work intended.

We have since had a discussion with them on the subject matter and agreed that it would be of great importance to our struggle to have a woman of our Section engaged in what they clarified as, a tour of Canada to address Women's Organisations in particular, on the conditions of our struggling women inside the country, in an attempt of drawing public awareness, which could and should assist in fund raising for our movement.

in long waiting for our movement.
