OFFICE OF THE SECRETARY GENERAL

RECEIVED 06 JUL 1993

TO : ANC

ATT : SECRETARY GENERAL

FROM : ANCYL HEAD OFFICE

REF : IGNATIUS JACOBS NYAMISILE BOOI

DATE : 30 JUNE 1993

SUBJECT : SINGING OF CHANT "KILL THE BOER, KILL THE FARMER"

The YL leadership want to bring to your attention our utmost disapproval of an event that occurred at the Regional Congress of the ANCYL Western Cape.

The Regional Secretary fo the ANC cde Tony Yengeni in his address to the YL congress told the youth that they must defy and continue chanting the slogan. This we believe is clearly a violation of the ANC NEC and YL decision on this matter.

Since these decisions; YL leadership from branch to region and national have called on the youth to refrain from singing the chant and even at mass rallies, after youth started chanting; intervened and called on them to stop.

Therefore comrade leaders we find it ironic that comrade Tony Yengeni continues to call on youth to chant the slogan.
