Lusaka...ZAMBIA.

Dear Oliver,

You will recall we met at the Maritime Unions  
Anti Apartheid Conference in London.

At the social evening on 30 November you asked  
if I could find out if there was any film of  
our late comrade Andrew Molotsany during his  
stay in New Zealand.

As promised I tracked down some footage and

\_ other comrades of the antiâ\200\224apartheid movement

came forward and have produced some gOod  
coverage of Andrew's

involvement while here.

I trust Andrew's parents will take prints of  
the film.and will be able to see how Andrew  
became part of the movement down in New Zealand.

Trust you and the movement are well;

Yours fraternelly,

m Woods,~
