Advocate Lionel Forman,  
c/o Advocate Sacks,  
Parliament Chambers,  
Parliament Street,  
CAPE TOWN.

Dear Lionel,

I am pleased to see that things are looking up for all of you at the Treason Trial, and I hope that you will be honourably acquitted at an early date.

I have filed the Petition in the Christian matter and have left the brief with Advocate Sacks, who I understand has already written or is going to write to you thereon.

The Attorney General has notified us that the Crown will be opposing the application, but van den Berg, who will be arguing for the Crown, has indicated that their objection is purely formal and may well be withdrawn before the hearing on the 4th proximo. No doubt you will be able to work on him when you return.

With kindest regards.

Yours sincerely,

*T. Walters*
