Hello friends,

Enclosed I am sending you a copy of your report for the period of 1st January - 30th June, 1990. I have today sent a copy of this report to Finnida.

Enclosed also copies of payments made by me at this end.

I shall attend to the things mentioned in your letter, e.g. trying to get the spares for National, etc. I have not managed to get hold of the person who will come to Tanzania, but I' am trying to chase him/her?

Next week things will kind of normalize here since most people are returning from their holiday. I am quite anxious to see Tuula to discuss the project things with her.

Since the mail takes really long to reach here, you have already got answers to most of the questions. Your letter mailed in Morogoro on 10th arrived here this morning, 25th. Thanks for the beautiful stamps.

All the best,

ZQW

P.S. Thank you for the brochure telling about Mazimbu.

I will read it carefully so that I know what I am working for.
