Dear Mr. Champagne:

RE: Mphepho Tannery Factory, Botswana

I am pleased to advise you that a contribution of \$12,500 has been approved by CIDA for the above project. A cheque for this amount will be sent to your organization shortly by our Finance Division. Please acknowledge receipt of this cheque to the Non Governmental Organizations Division.

Please send us a copy of your letter to the organization locally responsible for the project announcing this contribution, the method of payment and the need for a report. A copy of the letter by which you transfer funds to the project (or of the bank draft as appropriate) is also required.

We would appreciate receiving by December 1976, a report on this project indicating, in particular, the extent to which its objectives were achieved. We shall also require a financial statement related to the project's budget as submitted to CIDA. This statement should take into account all funds contributed to the project by CIDA as well as by other sources.

We are pleased to cooperate with you in this undertaking and wish you and your colleagues success in your endeavours.

Yours sincerely,

Romeo Maione  
Director
