sear Iolfio,

I oincsrly hope that Pitso arrchi with a: bulging letter gnu enclosures to you, as he left it 4 in the morning for nsr without it and I sent then with tn. next transport. no insisted th\$t it voulu he safest to go with him cvon though later than you hai suggestoa. As you will note, there is still nothing tron SOHAFCO or Doodles who promised a lsit of spsres sns tools for the mechanical workshop.

John Carneson asks if you will please advise his so followsz- What goods have been requested for SOMAFCO; uhht has been pledged by donors; that has come.

Thuso is now prepared to consider doing his scholarship along the lines you suggested and asks if you can advise what you think would be the best course to equip him as a storsman. When you give me some ti's shqut this, I will see that the Scholarships Committee try to ma efsmdcihl efforts for him.

Poor qlg Putts wrote from the Soviet Union. K. was placed to do typor x - instead of being in a technilal college he has landed up in a u v rsity (with only For! 4 3&uostion) where everyone is speeati gin branches of fisheries!

Hatie is get .5 around here like a whirlwind hnd Mollie her usysl sans, sons 9, static, willing self,'ohanping at the hit as I did, ysitin o is fully occupied.

I have so far attended all Jsck's lectures - thtt man is a giant of knowledge. What a plessure it is for those who stat to learn. I have never come across such a refreshing losturor.

Latest on Motsuni matter: This ohsp 2: Sylvester is spp-srently a 'seerst' agent of the buyer. All goods nlvsys go to his place. The buyer brought the money to H at his home ht night; the hale was something left over from before when he vus selling the-unopensd. We must accept his version. But now insistent thst if money transactions. regardless of when, he must tats the buyer to Ntilsshe and be paid in his presence. The latest transuotion has been carried through together with Hhali in tow.

Wss looking forward to a ruther meeting with Sipho this

Saturday - unfortunately, Logistics meeting cancelled due to wedding in Dar, So it n.....-.

An otclosin; a copy of letter to Roh Duykor and afraid it looks as 1! missing good: occurred after clearance from docks. John ht: passed it on to the Chief Rep.

My biggest headache at present 13 vhcro w. are going to Itoro all the goods appearing on 31113 of L&din; in my file, plus the stuff from Luanda if and when we ever get the Bills straightened out. I have passed this worry on to Katie. Let him hammer the 315 boys here on the importance and urgency of large and efficient stores.
