SPEECH DAY

Speech Day was held on Friday, 27th October on a day of pleasant warm weather. The occasion was well-attended and the marquee, with its agreeable flower-show smell of newly-cropped grass, was comfortably full.

Mr Chester Franklin, Chairman of the Board of Governors, welcomed our guests, outlined the preliminary activities of the Foundation Trust and thanked staff, girls and the whole community for their support and enthusiasm throughout the year.

Mrs van Biljon's alerting and amusing address was very well received by

all, and our account of it, with the photograph, is by courtesy of The Natal Witness.

Cape Town journalist, Mrs Madeleine van Biljon, said she was horrified by the ethic that makes a heroine of a Miss Universe but will not give a clever woman her rightful place in the sun

Mrs van Biljon, a columnist for a Sunday newspaper, was addressing pupils, parents and staff at St Anne's Diocesan College speech day at which she was the guest speaker

'We as women have to learn to use power. We are so indoctrinated in this male-dominated world, so grateful for the occasional opportunity we get that we don't use the power we already have effectively.

Because South Africa is a male-dominated society you have already been subtly indoctrinated into thinking that a woman's place is in the wrong and marriage is a suitable career."

Women, she said, were regarded as high-risk employees because they either marry, become pregnant or their husbands are transferred

If we had more creches attached to say great mining houses, hospitals, universities or schools, the problem of childcare would be solved."

Mrs van Biljon said if women were given equal pay their husbands might well have to leave their jobs and go along if their wives were transferred.

Mrs van Biljon told pupils they were singularly fortunate to be in a school with a long tradition and one which set a high value on academic achievement

"I would ask you to exploit the opportunities offered to the best of your ability But above all, I would like you to learn the necessity that women be supportive of one another and aware of the multiplicity of choice they face

She said she had the greatest possible faith in the contribution the women of St Anne's would make to South Africa

In introducing and concluding the customary review of the year (dealt with passim in these pages) the Headmaster pointed to the way private schools, feeling themselves much more in partnership than in competition, propounded their ethos and were, in the friendliest way, mutually supportive; he explained the steps taken to make out-of-school private tuition supererogatory; asked for help, support and advice in attempts to give a broader cultural base to the curriculum and to Club activities; thanked the Social Service Club for their charitable efforts; offered a frivolous disquisition upon School Reports and thanked the whole community for their friendly encouragement throughout the year.

This is the girls' cheerful nick-name for our Academic Awards, accorded to those who reach these really demanding goals:

In Forms 1 - 4: an A aggregate in Exams, with four "A grades.

In forms 5 - 6 a B aggregate in Exams, with four "B grades or three "A" g rades.

They are awarded on the November Exams for one year and on the June Exams for six months.

Holders for 1978 are

Peta-May Embleton Margaret Adams Jane MacDougall Sally Arnott Anne de Wet

Shereen Hadlow Cassie Levy Adrienne Kennedy Vicky Cadman Andrews

House Mistress: Mrs F. Bowen Head of House: Rozanne Gough Vice-Head of House: Diana Evans

1978 has proved to be yet another happy and successful year for Andrews , especially in the academic line.

Although our academic achievements were impressive our sporting activities were not as successful.

However we are very proud that Andrews has produced yet another Dux of School, congratulations to Victoria Cadman, also to Judy Oertel who won the major scholarship, and Georgina Hemphill for winning the minor. During the third term we thoroughly enjoyed the visit of Melanie Eagle, an Australian Rotary Student and we are delighted that our Vice-Head of House, Diana Evans, has been accepted as an American Field Scholar and will be going to America next year. We wish her every success.

It has been an honour having Victoria Cadman as Vice-Head of School in Andrews.

Verity Vermaak was selected for Natal A schoolgirls' squash team and also was vice-captain, while Kim-Ann Howard was selected for the Pietermaritzburg Schools athletics team. Kim was also runner-up for the inter-house Victrix Ludorum.

Class captains were: Kim-Ann Howard; Lynn Hobson-Jones; Susan Elliot , Sheila Johnsons; Barbara Jones; Lydia Boeddinghaus and Philippa Nicholson.

Di and I would like to thank the house for all the support they have given us and especially to Mrs Bowen who has helped to maintain the happy spirit which is characteristic of Andrews. It has been a memorable year. The Vth Form would like to wish Andrews the best of luck for the future and we hope they will maintain this happy spirit.

Francis Baines

House Mistress: Mrs Buck Head of House: Louise Cole Vice-Head of House: Jane Harker

Frances Baines has forged its way through 1978, easily winning the Inter-House Swimming Cup. The former was due to the perseverance of Norma Talmage, the captain. Norma Talmage was awarded the Victrix Ludorum for both Swimming and Athletics, and she also won the senior Tennis Championship Cup. Debra Dutton won the intermediate Tennis Championship Cup.

Frances Baines proved to be capable of producing good competition, being placed fourth in the Inter-House Athletics, third in Netball, and first in the senior Basketball and Hockey, due to the hard work of the captains, Amanda Edwardes, Nicola Ferguson and Annabel Elgie and also a great enthusiasm and house spirit shown by the rest of the girls.

Paula Macnab and Amanda Edwardes were awarded their house colours, and red girdles were awarded to Rae Strachan and Sandra Mayne.

Frances Baines is a much improved house, with its newly carpeted dormitories, and we are also very proud to have the Head Girl - Gayle Hunt - chosen from our house. Finally the Vth Formers would like to thank the house for being so cooperative and making our final year at St Anne's a memorable one.

Macrorie

Housemistress: Mrs E Buckley Head of House: Susan Tatham Vice-Head of House: Delene Viljoen

During the July holidays, Macrorie underwent a "face-lift". The centre of the dormitory has been carpeted and new cubicle partitions made. We are all very grateful to Mrs Cheetham, Mrs L. Tatham and Mrs C. Fowler for making our new curtains.

Macrorie has at long last excelled on the sportsfields. We proved too good for F.B. in the netball finals and won the cup for the first time ever! Our juniors did very well to win their section of the basketball competition. Unfortunately, we did not fare too well in the swimming gala as we only managed to come fourth. Special mention must be made of Mary-Ann Mounter who won the junior Victrix Ludorum. We came second in the inter-house Gym competition. Both the senior and junior Gym Cups were won by the Berger sisters - Sharon and Janet. We were narrowly beaten by Usherwood on the Athletics track: we came second, and Elizabeth Palframan was runner-up for the junior Victrix Ludorum.

We have also achieved great heights in the academic sphere. We won the inter-house Debating and Adrienne Kennedy and Karen Fourie were voted best speakers. Three girls were awarded Scholar's Badges - Adrienne Kennedy; Jane MacDougall and Sally Arnott. Congratulations to Georgina Woodhouse; Angela Palframan and Philippa Stubbings for being voted class captains and to Paula Kernan; Adrienne Kennedy; Helen Aulfes; Sally Arnott; Georgina Woodhouse and Jane MacDougall for receiving red girdles.

At the beginning of the year we welcomed eleven new girls to the house. They helped to swell our numbers to forty-six so we now rank as one of the larger houses instead of the smallest!

1978 has been a very enjoyable and successful year. Many thanks to Mrs Buckley for all her co-operation and for putting up with all our noise!

Best of luck for 1979 Macrorie!

Marianne Browne continues to be a blissful sanctuary for wasps, pigeons, "mystery" rats and enthusiastic, cheerful and high spirited girls. The girls certainly make Marianne Browne the most pleasant house to be in. Although we have not excelled in sport, we certainly have had support from the whole house and

we hope that this spirit, which is so valuable to the house, will continue in the future.

The year began encouragingly when Josie Grindrod won the Junior diving and Jenny-Leigh Methven narrowly missed first place in the Senior Diving. Marianne Browne came third in the gala overall.

The Juniors once again excelled themselves by winning the Junior House Tennis.

In the third term, Marianne Browne was "pipped at the post" in the sack race by Usherwood but otherwise managed to come last in athletics! This defeat was overshadowed by our victory in the Gymnastics competition for the second year running, much to our delight and surprise. In Inter-House Hockey, we tied first place with Frances Baines

We are also very proud of Susan Atwood who has been chosen to ride for Natal, in Jumping and Dressage.

Marianne Browne has recently acquired new bedspreads, bedside lights, and a drying room, which are greatly appreciated.

Usherwood House

Housemistress: Mrs Hitch House Captain: Louise Fox Vice-House Captain: Tanya Richardson

At the end of the first term we said a sad good-bye to Mrs Boyd, and welcomed back Mrs Hitch and her cat Frisco. We wish them a happy and enjoyable stay in Usherwood.

Usherwood has had a very successful year on the sports field, but not academically as only two girls, A. de Wet and P. M. Embleton were awarded "brains badges".

We managed to come second in the Swimming Gala with M. J. Walker runner-up as Victrix Ludorum. We came second in the Netball and M. J. Walker was chosen for the Pietermaritzburg Netball Team. The Hockey and Tennis matches were never completed due to the wet weather. We did not fare very well in the gym - we came fourth. Once again we managed to come first in Sports' Day due in no small part to the enthusiasm and energy of the Sixth Form, all of whom dragged themselves round the cross country. Jane Buchel was chosen for Pietermaritzburg athletics and was awarded her honours blazer, as well as being runner-up in the Victrix Ludorum. Well done Cindy Martin for winning the Junior Victrix Ludorum.

Usherwood girls excelled themselves on the squash court as M. J. Walker was a Natal reserve, while Jenny Turner was captain of the Natal B team and was awarded her honours blazer

- congratulations.

There seem to be many prospective leaders in Usherwood with J. Turner as Vice-Head Girl, L. Hathorn as a prefect and numerous class captains and vice-class captains. Usherwood has produced many talented actors, especially in Lady Windermere's Fan, Variety Concert and Drama festivals. Congratulations to R. Pennington and C. Martin for being awarded the Cup for best Junior Dialogue.

8

Tanya and I would like to thank the many members of Usherwood for the co-operation and help throughout the year, and to wish them luck in future years.

Choir and Music

Choir Leaders: Sally Cartwrigm Paula Kernan

The choir has participated in a number of different events, both social and religious, during the course of the year, and has been very successful. Firstly, we were very honoured indeed when the Bishop of Natal, made his official visitation of the school, for which the choir prepared an assortment of religious anthems. We were also invited to partake in an extremely well-organised choir festival, which took place at Collegiate Girls' School in Pietermaritzburg, in order to celebrate their Centenary. In a short address, Miss Clarkson mentioned that she hoped to make the festival an annual occurrence. St Anne's sang three anthems, with fair success. The choir has been invited to sing at the marriage of Valerie Walker to David Drankist, in the St Anne's Chapel on November 25, 1978. It will be a great privilege as Valerie is an old girl of the College. Furthermore, we have a new item to our annual agenda this year - a candlelight evening introducing Christmas carols and prose readings organised by Miss Kniep and Mrs Gysbertsen. This is something original to celebrate the beginning of the festive season. Lastly the choir will take part in an afternoon of carols, which it will present to various old-age homes in and around Pietermaritzburg.

Together with the Carol Service, 1978 has been a very successful and happy year. We would like to thank all those who have participated in the choir - and our sincere gratitude to Mrs Gysbertsen for her interest and guidance.

Staff News

Mrs Armitage has returned to Jersey where Jack is now secretary of the Victoria Club and she continues with tennis coaching; her place here has been taken by Mrs Michael who has Springbok Colours for Basketball and has been busy since May with all our sport.

Miss Baker has returned to University to take a further degree and her place as teacher of Physical Science has been taken by Mr Hurworth on his retirement from the post of Headmaster of Alexandra Boys' High School.

Mrs Langley returned to Cape Town and the Art Department is now in the hands of Mrs Nel, whose place as teacher of senior Afrikaans has been taken by Mrs Paynter.

Mrs Boyd, Housemistress of Usherwood for some years, left during the year and, after a tour of Europe with her sister, is now working in the Admissions Department of Grey's Hospital. Mrs Boyd helped with the detailed planning of the new Usherwood House and saw Usherwood installed and organised there before leaving us, and her service as senior Housemistress was of the utmost value to us. Mrs Hitch, who had charge of

Macrorie in 1975, has returned to take over Usherwood.

Library Report

The library is one of the prettiest buildings in the school, set in the surroundings of two great, shady oaks. One of these has recently lost two huge branches in a storm and, has consequently lost its symmetry. It is with sadness that one looks at it, after so many generations of St Anne's girls have sat in its shade, reading.

We have added about two-hundred books - gifts and purchases from our library grant - to our stock. Many of the old books which were no longer read have been discarded.

We are grateful for all the beautiful books donated by Judy Oertel's grandmother and for the generous and very useful

The library management has been extremely successful and it has been a good year for the library. The school librarians have shown much interest and have been very helpful under the leadership of Mrs Cooper.

The Debating Society

Unfortunately the Debating Society hasn't been very active this year, as no member of staff was available to escort us to debates at other schools. Nevertheless we did participate in several informal discussions, held on Sunday evenings, with Girls' High School, both here and at Girls' High School. These relaxed, friendly gatherings were very successful and served to stimulate lively, though sometimes irrelevant discussion!

The Inter-House debates at the beginning of the year were also very successful - Andrews and Macrorie emerged as the finalists after M.B., F.B., and Usherwood had been eliminated during the two preliminary rounds.

The topic discussed at the final debate was "The U.N.O. has no future", and the Macrorie team emerged victorious. Mr Richard Steyn, Editor of The Natal Witness, adjudicated the final round, and he chose Karen Fournie as the best speaker of the evening.

Mr Steyn's main criticism was that the speakers tended to read their speeches, rather than speak to the audience - a common St Anne's failing! I hope next year's members of the Debating Society enjoy an equally successful, though more active, year.

Craft Club

This club was started by Mrs Tarboton at the beginning of the second term, and was held weekly on Wednesday afternoons. We all tried enthusiastically to make macrame hangings as we have been shown some very good examples and how attractive they were. Some of our early attempts included knots that were not in the book, but the hangings can still be

attractive when disguised by a plant. As the weeks passed, so our knotting has improved and we have decided that the "knotting book" does not need to be rewritten.

Many more objects were made after our successful attempts at macramé.

We aided Miss Kniep by making paper roses for the school play, and also more flowers for a ballet concert at the Rowe Theatre in Pietermaritzburg, in which Mrs Tarboton participated. We were also taught how to crochet, make Victorian posies, and Christmas decorations.

The last term we have been very fortunate to have Mrs Turnbull demonstrate her pottery skill to us. Our sincere thanks go to her. Mrs Turnbull also made it possible for us to have our attempts at pinch pots fired and glazed.

We would like to extend our thanks to Mrs Tarboton, leader of the club, for her enthusiasm and support, without which the club would not function.

Chess

Chess was basically a social game this year. We played against Michaelhouse, Hilton, Cordwalles, Cowan House and Clifton, where many of us have brothers and friends. We played most of our matches in the new foyer at St Anne's which was far more comfortable than the library. One of the highlights of the year was a visit to Michaelhouse.

Although our matches weren't altogether successful, we enjoyed them, and look forward to another socially active year in 1979.

The Howick Junior Town Council

The Howick Town Council began on the 14th October, 1977. There is a meeting once a week on Friday afternoons in the Council Chambers at Howick. St Anne's girls have been given the opportunity to go virtually every Friday since the third quarter of 1978. Mrs Jones organised this opportunity. The object of the Howick Junior Town Council is to "Prepare today's youth for tomorrow". The young are taught how to conduct meetings, how to write minutes and reports and to become treasurers. They learn about Parliamentary procedures and how to run projects. They plan constantly how to collect money for charities like old-age homes and child welfare. They also collect money for themselves to make it possible to arrange projects.

The Council is under the auspices of the Jaycees. They elect a new "Mayor" or "Mayoress" each year. There is an annual conference once a year called A.N.Y.C. (Association of Natal Youth Councils) - when all the councils meet and speakers are invited to talk on politics, effective communication, and motivation, as well as other subjects.

The St Anne's girls involved in the Howick Junior Town Council give their thanks to Mrs Jones for organising this opportunity as it expands our minds to the situations of life.

Wildlife Club

Due to wildlife enthusiasts, encouraged by Mrs Bates and Miss Baxter, the Wildlife Club has been able to gain firm ground at St Anne's. The twenty-five girls in the club have enjoyed the various outings and meetings, held throughout the year.

At Grosvenor Boys' High School the members of school wildlife clubs in Natal gathered to discuss the outings they had enjoyed. The Umgeni Valley Ranch was our next outing. It was very successful and everyone thoroughly enjoyed it. Our next outing was to Midmar Dam where we went on the launch trip. Between these outings the club had many interesting people coming to discuss with us matters like pollution and birds. They brought

ght films and slides. Jim Fesley spoke about birds and their habitats. Godfrey Herbert came from SAC.CAP. and encouraged us not to pollute the country. We then went to Queen Elizabeth Park to watch three films of different terrains. Gordon McLean, a lecturer at Natal University, spoke on birds and how they depend on their natural habitat. We hope to have many more members next year and we hope contributions to the World Wildlife Fund will save our endangered species.

Sewing Club

The Sewing Club began when Mrs Whelan and Mrs Jones suggested that we spend our rest times more usefully by making gifts, using odds and ends of materials, boxes, tins, etc., constructively and thereby saving money. We began by learning how to do patchwork, creating traycloths, cushion covers and tea cosies. Then we learnt how to quilt, making dinner mats, clutch and make-up bags. Next came macramé pot plant holders, with the help of Mrs Griffiths.

We hope, after this term, that many parents will be receiving hand-made gifts that we have enjoyed making.

tl

Classical Ballet

After a few years' lapse, Classical Ballet classes were resumed in the third term of this year. We have a small but enthusiastic class and have been fortunate in receiving much individual attention from Mrs Nicholson. With her untiring patience and encouragement we have all progressed enormously and eagerly look forward to the great prospect of going on "toes" next year. It has been "classical" fun.

Speech And Drama

Excellent Trinity College of London Examination Results - 100% Pass List

The examinations took place on 24th and 25th August. Thirty-nine girls were entered for Grades ranging from Grade I to Grade VI, all were successful. Miss Barbara Hood from London was the examiner who commented on the high standard of the work presented. Sixteen girls passed with Honours, nine with Merit and fourteen made good passes.

Speech and Drama Association of South Africa Festival

A very successful and enjoyable Festival was held on 28th, 29th and 31st July. Mrs J. Hackney adjudicated. She commented on the excellent quality of the work presented and on the relaxed and happy atmosphere throughout the Festival. This year we presented considerably more drama than in previous years, every scene was produced in carefully chosen costumes giving enjoyment to all who wore them and delight to those parents and friends who came to watch our activities.

The Challenge Cup for Senior Drama was awarded to Adrienne Kennedy and Sarah Baldock and the Junior Challenge Cup was awarded to Ruth Pennington and Lucinda Martin. Miniature Cups for Drama were awarded to Claire Berlein, Merryn Moller, Michelle Stretch, Linda Dent, Josephine Grindrod and Caroline Levy and for outstanding individual performances in Verse Speaking and Drama to Bridget Gordon, Karen Fourie and Alice Brooks.

First Class Certificates were awarded to sixty girls and a Bursary, which was a shared honour this year, to Claire Berlein and Merryn Moller.

A very enjoyable party was held to celebrate our successes. Symbols gained by all who entered:

4 A+++'s; 20A++'s; 58A+'s; 93A's;

33 A-'s; 9 B++'s; 6 B+'s; 4 B's

Lady Windermere's Fan

This play by Oscar Wilde was produced at the end of the First Quarter. Of all our plays presented over the past few years this was by far the one which presented the greatest challenge, as a feature of this play is the Ball Scene and our stage is a small one, but all who took part rose to the occasion and we were proud of our achievement. We were very grateful to Mr Cheetham whose interest made this production possible, to Mr Bates who gave a great deal of time to set construction and to the music, to Louise Fox as Stage Manager whose untiring efforts back-stage contributed largely to the play's success and to all the girls who worked hard behind the scenes. In all this production involved fifty girls.

Miss Rosalind Kniep directed and produced.

We played to College on the first night - 17th March and to full houses of parents, friends and invited schools on the evenings of 18th and 20th March. The attractive costumes, the music of Johann Strauss, the high standard of acting and the happy atmosphere throughout rehearsals and performances made this play an unforgettable experience.

Bridget Gordon and Sally Cartwright as Lord and Lady Windermere in "Lady Windermere's Fan" by Oscar Wilde.

Our visits to dramatic performances this year included "Iolanthe" at Hilton College; "The Mikado" at Maritzburg College; "The Caine Mutiny Court Martial" at Michaelhouse; "Separate Tables" at the Rowe Theatre; "St Joan" at Cordwalles; and the Ballet "Rosalinda" at the Churchill Theatre. In the Fourth Quarter we are hoping to present a programme of "Poetry and Music by Candlelight" in the College Hall.

It has been a very enjoyable and successful year for Speech and Drama.

Girls and staff thoroughly enjoyed several of Mr Hepburn s films about travel and about game conservation in Southern Africa, with an uproarious Abbot and Costello comic short film, a film which was much enjoyed about a Marianne Brown gymnastics display.

It was kind of Mr Hepburn to visit us during a business trip to Durban and we now learn that he is very generously arranging for us to have a more efficient film projector.

Vlth Form Discussion Group

This institution has now continued for some years. Vlth Form parties of eight from Hilton College, eight from Michaelhouse and eight from St Anne's meet once a year at each school to dine with the Head and his wife, to be addressed by a Guest Speaker and to participate in discussion. At Hilton College in the first terms Miss Daphne Tshabalala described the problems of a large African Primary School. At Michaelhouse in the second term Mr Andrew Taylor spoke about American attitudes to South Africa.

The Headmaster and Mrs Cheetham were hosts in September to this group, with Mr and Mrs C. J. Saunders, Mr and Mrs Jardine, Mr and Mrs Slater, Mr and Mrs Bates and Mr and Mrs Harvey; and after one of our famous St Anne's special suppers, Mr Saunders addressed us about the Urban Foundation and about the responsibilities of the privileged in this country as affecting informed and on-going charitable activity; and on the general sphere of leadership. We were impressed both with the magnitude of the Urban Foundation's task and with what had been achieved already. A stimulating discussion ensued, and Mr Saunders left reports and brochures which were taken home to the libraries of each school.

Film Evening

Mr Ian Hepburn returned to St Anne's after some years to give us an evening of films of the sort which our younger Old Girls used to enjoy so much.

Inter-Schools Show-Jumping

Shongweni, 14th May, 1978

We had a better all round performance this year; like the majority of teams we had higher graded horses so the competition was more severe. Thirteen teams participated, six only qualifying for the second round.

Our order of riding was as follows:

1. S. Attwood riding Tara
2. N. Davies riding Wing Commander
3. S. A. Rowles riding Take the Lot
4. S. Attwood riding Pearl Gleam

Our score at the end of the first round was:

Tara 4

Wing Commander clear Take the Lot eliminated Pearl Gleam clear putting us tie with Hillcrest for first place; unfortunately in the second round Tara had two down for 8 as did Wing Commander. Take the Lot was again eliminated and Pearl Gleam went clear. This gave us 20 faults over all and the final placings were:

1st Howick High 12 faults

2nd Hillcrest High 16 faults

3rd St Anne's 20 faults

4th Hilton College 20 faults

5th Port Shepstone High 32 faults 6th Carmel College 35 faults

TATHAM PRIZE ESSAY

PATTERNS

Bright and sharp, electrical impulses sparkle along the endless grey passages of my brain, like the quick fatal beams of a ray gun, from some successful science fiction film. The bright, angular trails of these chemical messages form vivid, geometric designs against the dull background - a galaxy of fiery shooting stars in a grey, lifeless sky.

'Sleep', I think to myself, 'Go to sleep', and, as if in mockery I feel that at single word roll thundering up from the depths of my brain, and gain terrifying proportions as it reverberates along the dim passages, before it diminishes and disappears along another endless tunnel, vibrating its way to infinity, as it twists and curls up, down and around, exploring the ceaseless mass of thick, grey tubes.

I can almost feel that evil, grey mass writhe maliciously, seemingly impervious to the misty, pink oblivion my body needs so badly. Thousands of computers click energetically and busily - will they ever cease?

At a breathtaking speed they flash thoughts of every colour along the dull, dark passages, illuminating them, startling them. Warm, sunny thoughts of home and the holidays; pale mauve thoughts of the death of a favourite pet; exciting, electric blue thoughts of HIM ... The various colours whirl dramatically, merge and then separate, weave, zigzag and spiral - a weird, supernatural, psychedelic maze, mystifying and frustrating, a special device invented by a merciless brain to frighten and chase away poor, gentle sleep!

Gradually my brain becomes aware of something else, something different, something that is interrupting the irregular, colourful fireworks display of thoughts.

"Snore", the little computers register, "Someone is snoring!" Thus another pattern begins. This one is more regular, but in its regularity, is infinitely more frustrating and annoying. It begins as a small, brown line and climbs slowly and steadily up the long, dark tunnels, leaving a feeble, brown

tail behind it. The trail forms a pattern that resembles a flight of stairs as drawn by a young child - a regular, angular pattern. As this pattern climbs the winding passages it becomes bolder and larger, and soon it fills the entire brain, obliterating the dazzling kaleidoscope.

With a startling suddenness . . . brown "stairs" disintegrate and disappear - "The snoring has stopped", tick the computers.

A slow, gently curving, pale green river of relief meanders through the grey mass and gradually, blissfully, a welcome,

14

This page sponsored by Oxenham's Bakery
fluffy, pale pink mist forms above the river. It rises, expands, gently filling every dark passage, obliterating every pattern. Eventually even the soft, green river is covered, and every curve and corner is filled with peaceful, pink oblivion - sleep!

VICTORIA CADMAN

PRIZE ESSAY

I STARED IN HORROR - THE BRIDGE HAD DISAPPEARED

"I stared in horror - the bridge had disappeared." I hadn't taken it! I hadn't taken the only life; eternal life. I've gone too far, I must turn back and start again. I must look for Him, find Him and keep Him.

I didn't listen to His word. Will He come back and forgive me? Will He really believe I want Him? What did He say? He said that He is the light. Repent from our sins and He will save us. He will forgive us for all our sins if we ask Him to. We can't get to Him any other way except through His door.

This life is too difficult for me but if I go back to Him it will be easy. He will carry all my troubles, sorrow and needs. I am going to find Him. I'm lost here but He said He can always see us and, if we ask Him to, keep us. In eternal life there is no sorrow yet here there always is. Let me read this Book and find out more about Him, so I can go to Him. He will save me from drowning in this raging torrent. This Book says that you must not keep Him in one cupboard and let Him out when you need Him but let Him into your whole life. He is polite and only comes into your life when you ask Him to and goes away when you tell Him to. You cannot hide from Him, He knows you and sees you all the time.

He loves everybody even the worst sinners. He can save them through His love if they repent and love Him. He has saved lots of people from raging torrents and brought them safely to dry land, clean from sin.

The Lord can and will save me if I ask Him to. He will help me and love me, keep me and honour me if I humble myself to Him.

This Book is true. It is His word and what He promised. He still lives today and will live for ever. The Lord is my living Saviour. I have been saved and crossed His bridge. He will stay with me for ever and I will stay with Him.

He will save everybody who wants to be saved and who tells Him so. He is stronger than the strongest man. Mightier than the mightiest king and more loving than the most loving parent. It is He that will save this world.

DAWN

I turned and saw the smoky wisps of mist resting on the forest, The morning star hanging above the Western horizon,
I heard the soft roar of the waterfall,
And the lonely wail of a late nightjar;
Everywhere I looked, it was a shifting sea of white mist.
With dewy green islands poking up through the shroud,
Loose puffs of white trailing off into their origin.
I waited, and the Eastern glory came,
In a small red ball. It rose,
And the sea burst into a rosy flame,
And then the moment was past.

CROSSROADS IN LIFE

As I look back over my shoulder down the road of no return, I think to myself, "What would I be doing now if I had taken the other road? But this is a question that can never be answered, because at the beginning of the road there was a sign saying "one-way".

SUNRISE IN HERMANUS

The gulls swoop determinedly at shimmering nets. Coloured fishermen in greasy caps curse and bend To haul their treasure across the ghastly stretch Sea tickles sand playfully and gurgling draws away Leaving mouths gaping in dismay Small pink shells lace the beach Entwined with my footprints that Vanish,
Erased by curls of sea that chuckle gleefully,
Then dart away once more Blue skies spill into water,
Murky pools for fish that see eeeee
Nets made from orange bags
Voices herald worried mothers and eager children
It has gone, the magic;
I draw back like the sea,
Restless.

BLEEPING SNOOTY

(A nonsense poem)

There was once a yeautiful bung girl called Bleeping Snooty who lived in

a charge larsel in the middle of a taunted horest. A wicket witch had on
ce sarsedacellon her that, on herbeiteenth firthday she would trick her
finger on a winning speel and fall asleep forever unless a handsome hinc
e lissed her on her kips. And then, sure enough she was using a winning
speel and she fricked her finger. She immediately fell into a seaceful p
leep and was asleep for yany mears until one day a handsome hince walked
through the taunted horest, up the sinding waircase of the charge larsel
and into the room in which Bleeping Snooty was sleeping. He quickly kis
sed her on her kips and she woke up. They then mot garried and lived hap
pily ever after.

COMPOSED UNDER LEAVES IN SPRING

There has never been a creation more beautiful -

This tree; none more fair, more lovely,

Its buzzing blossoms hold ambrosia,

For the gods of spring.

The grasses at its feet lie buried In spring snowfall of petals;

Its tender colours are newborn,

All clean-washed and innocent,

A bride, born of age and hardship,

Its rustling veil, stirring gently;

I am lulled by its fragrant

Golden cups, its small crowns of lovely sweetness I am stunned,

What perfection!

Athletics Report

Captain: Tanya Richardson Vice Captain: Susan Tatham

Athletics has been very successful this year, 9 girls entered for the Pietermaritzburg trials and 4 ran their way to join the Pietermaritzburg

Athletics Team. They were, Jane Buchel for 200 metres, 400 metres and Relay, Norma Talmage for 800 metres, hurdles and relay, Sally Anne Lambert for 800 metres and Kim Anne Howard for 100 metres, 150 metres and the relay. Congratulations to them and we wish them every success for the future.

The rain cancelled our interhouse athletics day and it was postponed until three days later. Usherwood won, 2nd was Andrews, 3rd Macrorie, 4th F.B. and 5th M B

The senior Victrix Ludorum Award was won by Norma Talmage and runner-up was Jane Buchel - well done.

The Junior Victrix Ludorum Award went to Lucinda Martin and runners-

up were Kim Anne Howard and Elizabeth Palframan.

Basketball Report

Captain: Susan Tatham

The old Preparatory School tennis court was converted into a basketball court in June this year. The introduction of this new sport met with much enthusiasm. An interhouse competition was organised and enjoyed, although we did not have much knowledge of the rules. F.B won the senior competition and Macrorie the junior.

After much practising and training a team was chosen and entered in the Pietermaritzburg women's C. league. We fought our way to the final and managed to defeat the experienced Varsity team and so won a cup. We have played many other social matches which have all helped us to gain experience. Bill Shaugnessy forfeited an afternoon to show us some films on 'basketball tactics' and then gave us a coaching session. These helped us immensely as did all the films on basketball that we have been shown as we see how the professionals perform. This new and exciting sport could never have been such a success if it hadn't been for the hard work and patience of Mrs Michael.

Gymnastics

Captain: Nicola Crookes

A great deal of enthusiasm was shown towards gymnastics this year, in the presentation of four sequences from each house, and in the individual gymnastics competition.

The Individual Section was held towards the end of the third term, with girls from all forms participating during their class lessons. The winner of the senior section was Sharon Berger, with Norma Talmage in second place and Jane Buchel in third. Janet Berger won the junior section and the runner-up was Wendy Harker, with Ruth Pennington in third place.

The interhouse competition was held the following term and was kindly j

udged by Miss Fowler from Epworth. The juniors and seniors from each house presented a floor and apparatus sequence. M.B. House won, followed by Macrorie and then F.B. A special thank you to Mrs Michael for her invaluable support and interest in the running of the competitions.

Although the season was not highly eventful, the girls showed enthusiasm and interest, and I hope next year's season is as successful.

Although 1978 has not been as successful a year as 1977, it has certainly been as enjoyable. We were sorry to lose Dr Parker at the end of last season. At the beginning of this season we welcomed Mrs Gray. We reverted to conventional hockey instead of the system hockey which we played previously.

Jennifer Turner.

There were matches played most Saturday mornings, and during the week. Mrs Gray and Mr Harvey gave much of their time to helping with umpiring.

Staff and Fathers hockey matches evoked great excitement. In both matches there was keen participation by the staff and fathers. I am Pleased to say the girls won both matches, although the staff think otherwise!

A few members of the 1st XI went to watch the test match against the International Wanderers in Pietermaritzburg. Although the Springboks won by a large margin it proved an exciting and enjoyable match.

Due to unreliable weather conditions the house hockey was only completed in the 4th term. An exciting final between F.B. and M.B. ended in a draw.

Thank you to Mrs Gray for her help and support and good luck to next year's teams.

Great enthusiasm and team spirit helped to make the netball season this year a happy, enjoyable, successful one. We are Grateful to our new coach, Mrs Michael, for her effort and all her hard work.

During the season the teams acquitted themselves very well at the Inter schools Netball tournament, where the 1st VII were placed third and the 2nd VII, U. 15A and U. 14A were each placed second after a very good performance of team work.

At the Pietermaritzburg Netball trials, Norma Talmage, Louise Cole and Mary-Jane Walker were selected to play for the Pietermaritzburg team and later were invited to attend the Natal Trials at Port Natal. Louise Cole was then selected to play goal attack for the Natal Schools team. In July the team attended the Provincial Tournament in Vryburg.

The Interhouse netball matches evoked a tremendous amount of house spirit amongst both competitors and spectators. Macrorie was victorious, followed by Usherwood.

Louise Cole was awarded her honours blazer. Norma Talmage and Mary-Jane Walker were awarded school colours, and half colours were awarded to Diana Evans, Jennifer Turner, Jane Buchel, J. Mathieson and S. Lambert.

ST ANNE'S SAILING CLUB

Captain: Sally Howes

Our club started again in the second term of 1978 with one boat and two enthusiastic skippers. We have now progressed to four boats. St Anne's has taken part in the interschool regatta for three years, but without success. Last year we managed to come sixth out of approximately twenty schools. St Anne's are members of Henley Midmar Yacht Club and may take part in the yacht races on Sundays. There is a parent escorting the budding sailors each Sunday. Before the sailing club can really start growing and caring for themselves the new skippers have to learn the rules and theories of sailing as it is not as easy as some people think. There are many eager people wishing to learn to sail but don't realize what patience, concentration, skill and experience it takes to be able to sail well.

There was a delayed beginning this season due to the malfunctioning of the pool, and swimmers had to contend with cold, miserable weather during training sessions.

Our Interhouse gala was won for the 4th consecutive year by Frances Baines House The senior Victrix Ludorum was Norma Talmage, and the runner-up was Mary-Jane Walker Three juniors managed to tie for the junior Victrix Ludorum Wendy Harker, Karen Lyne and Mary-Anne Mounter. Senior

diving was won by Norma Talmage and Junior Diving by Josephine Grindrod

The Pietermaritzburg Swimming Trials on 25 February was well attended by members of our swimming team. Norma Talmage and Adrienne Kennedy were selected to represent the Pietermaritzburg Schools Swimming team and Norma Talmage managed to win the 100 m freestyle event. She came 5th in the Natal trials.

At the Interschools Gala. St Anne's was beaten narrowly into 3rd place by Epworth. with GHS coming first. Norma Talmage. Sharon Berger, Josephine Grindrod. Elspeth Short. Cindy Martin and Karen Harvey were placed in the Interschools diving competition

20

The Championship gala held at the end of the swimming season was very enjoyable and St Anne's came 3rd. Norma Talmage won her race, and all our swimmers were well placed Although we competed in very few galas against other schools, we have had a successful swimming season

Norma Talmage has been a great asset to the team and great encouragement to many of the younger swimmers Our grateful thanks go to Mrs Armitage and Mrs Vorster for their support and guidance The 6th form swimmers wish next year's captain and her team every success

Tennis Report

Captain: M-J Walker Vice Captain: B Stubbings

The standard of tennis among the Pietermaritzburg schools was very high this year and St Anne's did well to come third, behind GHS and St John

's, in the overall school-girls league We also came third in the Winnie Lowe Trophy tournament which was played once a week at Kershaw Park in Pietermaritzburg This year was the first year that this tournament has been held and it proved to be a great success because it meant that we were able to play two or even three tennis matches a week and I am sure that this is one reason for the high standard of tennis played during the year

We enjoyed social matches with Hilton. Collegiate, Wykeham and St Marys during this winter as well as our winter league matches which were introduced for the first time this year For the mixed league which is played during the third and fourth terms St Anne's drew Kearsney as their partner school Last year we partnered College and after many enjoyable matches we came second

At the end of the first term we had to say goodbye to the enthusiastic support given by Mrs Armitage whose position has now been taken over by Mrs Gray who is keen to maintain the good standard of tennis here We are very privileged to have Greer Stevens to coach our team members every Thursday afternoon, giving us her professional advice and an afternoon of gruelling exercise She has also introduced an enthusiastic spirit into team tennis here at St Anne's and I hope it will remain so in the future

Earlier this year Verity Vermaak. Jenny Turner, Susan Tatham and M-J. Walker were selected to play for Pietermaritzburg In the third term they were asked to take part in the Natal Championships, in which Verity Vermaak lost in the finals and was selected to play in the Natal A team as a Vice-Captain. Jenny Turner Captained the natal B team. The South African schoolgirl and school-boy championships were held in Port Elizabeth Susan Tatham and M-J. Walker were chosen for the nontravelling Natal reserve team

A team of eight girls played a match against Weston Agricultural College and we lost 8-0. However, it was very enjoyable.

Girls' Guild

The AGM of the Guild was held on June 4, 1978. only 26 members attended the meeting although 60 had replied that they were coming. We do appeal to Old Girls to come if they have accepted as the school has to pay for their meals.

Present: Mrs Pam Gie (President)

Mr Tony Cheetham (Headmaster)

Mrs Bridget Morrison (Treasurer)

Mrs Pauline de Wet (Secretary)

and 26 members. There were 208 apologies.

All present were asked to stand in silent memory of the following Old Girls who died during the past year:

Mrs Mason (May Britten)

Natalie Phillips (Harris)

Nan Chignell (McKenzie)

Anne Holland (Stacey)

Mrs Lester (Addison)

Margo Pistorius

President's Report:

Mrs Gie announced that there is an Old Girls' Bursary available next year. She thanked Eve Oscroft and Sybil Jackson for the magnificent sum of R1 000 for the bursary fund from the second hand uniform shop. Pam Baber was thanked for her years of dedicated work in extracting and presenting so attractively the Old Girls' News. Sally Forrester collected R2 17,50 for a most enjoyable lunch and Magimix demonstration. Paddy Lambert had organised a luncheon and bridge drive in Pietermaritzburg but, due to lack of support, had had to cancel it and had appealed for donations instead. She had handed in R100. Mrs Gie appealed to all members for

r more enthusiasm in the future.

Mrs Gie explained that due to the magazine being a bumper one for the Centenary, every Old Girl receiving one and the increase in printing, the Guild had sustained a loss on the magazine. She reported that the Committee would need to take a further look at the financing of the magazine as it was becoming more and more of a financial burden.

Mrs Gie thanked Mrs Cheetham for typing the minutes so that they can be circulated. She thanked the retiring secretary and welcomed Mrs Rosemary Elliott as the new secretary.

Treasurer's Report:

Mrs Morrison pointed out that expenditure had increased from R207 last year to R1 337 this year. This was due mainly to the increased cost of the magazine and the drop in advertising revenue. The Bursary Fund has increased by just over R1 700. Mrs Morrison informed members that R4 060 had been raised by the secondhand uniform shop since 1967. Forty-two new Guild members were accepted, including three staff members who were elected as honorary members:

Mr Harvey Dr van Mossevelde Mrs Martin

The following were elected to office for the forthcoming year:

President: Mrs Pam Gie

Secretary: Mrs Rosemary Elliott

Treasurer: Mrs Bridget Morrison

Committee: Mesdames Fowler, de Wet, Keith, Franklin, Wills and Gosling.

MARGO PISTORIUS born 18 August 1962 died 20 April 1978

A short span for such a vital girl: Margo was an outstanding swimmer, a keen pianist and had a bubbling sense of humour which made her popular with all of us at St Anne's.

Margo had two years at St Anne's, and her elder sister Karen had four years, before the family moved to Surrey late in 1976. She became ill in 1977 and her death followed a painful illness, bravely endured.

Girls from Margo's form and House held a Memorial Service in the Chapel and are arranging to have a plaque inscribed, and the family is presenting a Cup for junior swimming, in Margo's name.

Responding to letters from the School, Mr Pistorius has written:

"We have been very moved by the demonstrations of sympathy from St Anne's. There was no more loyal past pupil than Margo. As I said in a letter to the girls of F.B., she staunchly and openly refused to lower her standards from what she thought would have been thought correct at St Anne's, and she was ever grateful for her years there. She experienced great happiness and contentment there, and for this we are thankful. The observance of standards of conduct learned at St Anne's contributed materially to Margo's success at school here and, I am convinced, also to Karen's becoming Head Girl in a 900-girl school after being there just on eighteen months."

ANNE HOLLAND (nee Stacey)

The death of Anne Holland (nee Stacey) at the hands of terrorists in Rhodesia on April 22, 1978, brought to a tragic close a life filled with achievement, cheerful kindness and a tremendous zest for living. She was travelling

ng with two of her

children and a friend in an escorted motor convoy from Umvuma to Fort Victoria when they were ambushed by terrorists 27 km north of Fort Victoria. Anne was 46 when she died and leaves her husband, Geoff, and three children.

Born on September 28, 1931, at Ulverston. Lancashire, Anne came to South Africa with her parents and a sister, Jennifer, in 1934. In 1938 the family moved to Rhodesia and farmed in the Bromley district, until Mr Stacey's death in 1968 Mrs Stacey still lives on the farm but takes no active part in running it.

Anne attended Chisipite Preparatory School in Salisbury before going to St Anne's where she matriculated in 1948. She then went to Studley Agricultural College in England and after completing her course there went to the Durban Tech to do the domestic science diploma. Anne and Geoff were married on March 4, 1953, at the Anglican Church in Marandellas and farmed in the Karoi district for six years before moving to Salisbury. In 1963 they moved to Marandellas where Geoff accepted an appointment in the pasture research department at the Grasslands Research Station, and Anne managed her father's nearby mushroom farm. During these busy years she studied for and passed the final Chartered Institute of Secretaries examination. At the time of her death, Anne was reading for a B.A. degree through UNISA, in addition to managing the legume inoculation factory at the research station.

Anne and her husband, a former Marandellas councillor, both took a great interest in public affairs and served for many years on school councils, parent-teacher associations and other bodies. As an Old Girl of St Anne's, Anne was tremendously interested in and proud of the school, and travelled down from Rhodesia to be present at the Centenary celebrations. In addition to all her other interests. Anne was much involved in the local hospital at Marandellas, where she worked as a VAD and spent many hours of her time each month.

The Holland's elder daughter, Jane, teaches science at a high school in Salisbury, where the younger, Susan, is nursing, and their son, Richard, is at senior school in Marandellas.

GLADYS FRIEND LESTER (nee Addison)

One of the oldest Old Girls of St Anne's, and certainly one of the proudest of her school, died in Durban on April 23, 1978, at the age of 88. Gladys Lester (nee Addison), gracious, vital and looking twenty years younger than she was, had attended the Centenary Celebrations just a year before with her family, and loved every moment of that exciting day.

Gladys's family was very much part of the history of old Natal. Her grandfather, Dr W. H. Addison had arrived in Durban in 1849 in a ship called the "Lalla Rookh", bringing with him his son, Friend Addison, who was to be Gladys's father. Their place of

origin was Addington in Kent, and as Dr Addison became the first medical superintendent of the hospital in Durban, it was named after that place. Friend Addison was one of the sugar pioneers of Natal, and until he sold out to C. G. Smith and Company in 1919, had owned the whole of Gledhow Sugar Estates (then called Addison Bros.), which comprised thousands of acres under cane, various mills and so on. A member of the Natal Legislative Assembly at one stage, Friend Addison played a prominent part in public life, and was also the first colonel of the Natal Mounted Rifles. Gladys was born in Durban on February 27, 1890, and spent four years at St Anne's, two when the school was in Pietermaritzburg and two after the move to Hilton. She was there with her two sisters, Kathleen and Christie

lle, the latter eventually becoming head girl. All her brothers went to Hilton and some later to Cambridge, as in those days there were no universities in this country.

During her years at St Anne's, Gladys kept wicket for the first eleven and was in the rifle musketry team, their instructors being various sergeants from the regiments stationed at Fort Napier. Different pursuits indeed from those enjoyed by the schoolgirls of today! She left school in 1906 and, like so many of the young ladies of those happy far-off days, did nothing but enjoy herself, with perhaps a trip overseas here and there for, as she herself said, there was not really much else one could do. Gladys married William Alexander Lester, an Englishman from Devon, in St Paul's Church, Durban, on July 29, 1919, and they farmed firstly in Zululand and then at New Guelderland on the North Coast until 1933, when they moved to Kloof, and finally to Durban in 1946. Their daughter, Joy Windeler, who now lives in Johannesburg, went to St Anne's, as did one of her daughters, Caroline. Gladys's son, Mick Lester, a chartered accountant in practice at Umhlali, went to Hilton, and his daughter, Jane, attended St Anne's, matriculating in 1973. Mick was chairman of the North Coast region for the St Anne's Centenary Appeal.

In memory of his mother, Mick Lester is to present a stained glass window to the St Anne's chapel. Designed and made in Canterbury, England, the window will depict St Elizabeth of Hungary, a saint remembered particularly for her love of flowers. Gladys Lester had a passion for gardening and all flowers, birds, animals and anything with a natural beauty, and it is appropriate that the window will depict St Elizabeth carrying a basket of blossoms, whilst at her feet is shown a cluster of anthuriums, which were Gladys's favourite flowers.

News of Old Girls

A ABRAHAM (1966) (Mrs Robin Penne-father), Robyn and her husband have bought a house quite near St Anne's in Groenekloof Road, Hilton where they have been living for the past three years. They have two sons and Robyn recently gave birth to a daughter.

ACUTT (Mrs Geoff James), Susan and her husband, who is with Hulett's, have made their home at Darrall.

ADAMS (1974), Lynda took a secretarial course in Durban after completing her B.A. from Natal University in Pietermaritzburg and went to England in June, 1978. She travelled a good deal there and on the Continent and planned to return home early in 1979. Whilst in London Lynda took a cookery course at Prue Leith's.

ADDISON, Ann taught at a nursery school in Pietermaritzburg for a year and went overseas to Italy where she looked after three Italian children for two months. She toured the Continent and England before going to America.

ADDISON, Judy went back to England in July and became engaged to Rob Rowley of Peterborough, England and plans to be married at home in Empangeni in December. ALEXANDER (Mrs Oertel), Jill's eldest daughter started at

Wits this year and is studying languages for which she has a natural flair. At the end of her course she hopes to enter politics or the Diplomatic Corps. The second daughter wrote matric at the end of last year and will then train at the Teaching College in Pietermaritzburg. Jill's youngest daughter is in Form II at St Anne's and, of course, like mother like

e daughter, is in Andrews!

ARCHIBALD (1965) (Mrs Lowry), Judy trained in midwifery but is now kept fully occupied by her three daughters. ARMSTRONG (Mrs Underwood), Glenys is teaching at a nursery school in Johannesburg, She recently had a trip overseas with

24

her husband and spent some time with Lady Sue Pilkington (nee ADAMS ON) and her family.

NEW GUILD SECRETARY

Mrs Graham Elliott (nee Rosemary Armstrong) was elected Secretary of the Old Girls Guild at the Annual General Meeting on June 3, 1978.

After leaving St Anne's in 1950, Rosemary taught at a nursery school in Durban, where she has lived since her marriage.

Rosemary and Graham have three daughters, the youngest of whom is still at St Anne's, and a son who was a member of the Natal Under 13 cricket side which played in Cape Town during December, 1978.

ATKINSON (1977), Pippa is a B.A. student at Natal University in Pietermaritzburg where she was elected a Rag Queen finalist last year. She was also a drummie

B BABER (1977), Anne is a B.Sc. student at the Natal University in Pietermaritzburg and was a drummie last year.

BABER (1973), Leigh has spent a busy year teaching senior English at the high school in Stanger.

BADER (Mrs Tompkins), Susan and her family are living in Dallas, Texas. Sue's eldest daughter, Frederica, was married in June this year.

BELL (1977), Nanette flew to Canada as a Rotary Exchange Student in January, 1978 and has been hosted by Rotarian families at Cambridge, Ontario. A fortnight after her arrival she experienced the most incredible snow storms with hurricane force winds, an unforgettable introduction to the Canadian winter. For her first six months Nanette attended a 950-strong co-educational

school, Southwood Secondary, and besides being called upon to give countless slide shows and talks in the area, has been interviewed several times in the local press and appeared on television. Nanette spent the summer vacation touring western Canada with her parents who travelled from their Balgowan farm to be with her, and soon afterwards left her school to attend university. On her return to South Africa early in 1979, she plans to go to Cape town University. BESTEL (Mrs Sandy Campbell), Fleur and her husband live in Canada and have two daughters. In March and April they spent a family holiday in the Seychelles and visited Durban before returning home.

BISHOP (1959) (Mrs Sellick), Gay trained as a teacher at the Natal Teachers' Training College and is at present three quarters of the way through a B.A. which she is doing through Unisa. She and her husband, who is a civil engineer, have lived in SWA for 12½ years and have two young sons.

Di Perry and Lee Frew enjoying a free moment during their studies in France

BLUNT (1953) (Mrs Burke). Marilyn plays golf for Wanderers in their C division. She has two daughters, Anne and Lynne, BOCOCK (1956) (Mrs Findlay), Heather and her husband, who is a doctor, live in Johannesburg and have two daughters at St Anne's and a younger son.

BOOTH (1936) (Mrs Huxtable), Dorothy has been active in the past on Child Welfare Committees and was an enthusiastic Rotarian. She is now "r

etired" and is a proud grandmother of three young grandchildren. DI PERRY (Bowman) and LEE FREW (Warner) spent a month earlier this year, studying French at L'Institut de Francais at Villefranche just outside Nice. Together with people of all ages and nationalities, including business folk from international firms, they studied for eight hours a day by Audio-Visual methods in order to become fluent in French. They both had digs in the village, ate lunch at the School (in French!), attended discussion groups and were free at weekends to enjoy the beautiful beaches and mountains (where there is skiing in the winter) nearby. Later in the year, they were joined by their respective husbands, Chris Perry and Gordon Frew and embarked on a boat trip on the Canal du Midi, during which they were able to put into practice all that they had learnt at the School, as well as enjoy a marvellous holiday.

BRAND (Mrs Carey), Eileen has been teaching Yoga for 15 years and has her own studio with a regular attendance of 79 pupils. She is also a very enthusiastic member of a choir which has appeared on TV and which recently undertook an extensive trip from Johannesburg through the Free State to the Cape, then northwards via Natal and Zululand back to the Transvaal. They gave concerts at all the overnight stops en route to large and appreciative audiences. Eileen is now a proud grandmother with a year-old granddaughter and her second daughter is to be married in January 1979.

BRAND (Mrs Thorpe), Margaret has a daughter, Susan, who is to be married in October and her eldest son has left school and is helping his father in the building business.

BRINK (Mrs Charlewood), Carole is still having outstanding successes with her television programme Spectrum. For the second year running, Carole has been awarded the "Tonight" award presented by the Star for the best actuality programme. Then she received the Round Table award for the programme which has been of the greatest benefit to the community.

Her prize in this instance was a free trip to Europe and so Carole and her husband, Gough, spent three wonderful weeks in Yugoslavia during April/May. The third award was that presented by the Medical Association for the medical Journalist of the Year.

BRISCOE (1965) (Mrs Clark), Rosanne lives in Himeville with her husband and two young children, a son and a daughter.

BROOKE (1951) (Mrs Gawler), Margaret qualified as a nurse and then did midwifery at Grey's Hospital. She now is a part-time Clinic Sister. She lives with her husband on a VA million acre ranch in West Nicholson, Rhodesia and has a son in the army, a daughter at Tech in Durban and a younger son at junior school.

BROWN (1967) (Mrs Chris James), Jo is kept very busy in her job as principal of a Training College for mentally retarded children in Empangeni.

BUTCHER (1946) (Mrs Saunders), Pam and her husband live in Tongaat.

BUTTON (1946) (Mrs Katherine Cruise), Kitty did her B.A. at Rhodes followed by a Diploma in Personnel Welfare Management. She works for her husband in the catering business and has two children, Shirley and Andrew.

CHEESE AND WINE LUNCHEON

More than a hundred Old Girls and members of the St Anne's Community gathered at Allison Brown's lovely home at Kloof on Tuesday, September 12, for a most successful Cheese and Wine Luncheon party, held to r

aise money for the Old Girls' Bursary Fund.

A fashion show of summer styles was presented before lunch by Beba s Boutique from Umhlali, and among the seven models on the ramp was an Old Girl, Pam Hopkins (nee Sumner), whose presence was an added interest to the show. So popular and wearable were the clothes shown that there was a rush straight after the presentation and many glamorous outfits were snapped up before lunch.

Elaine Atkinson, a St Anne's mother and daughter-in-law of Kathleen Atkinson, staged a display of her pottery in the lounge, and also gave as a competition prize an enchanting set of pottery vegetables. The winner of this prize was Jill Elgie and Judy Butcher won the Chicken Dinner.

The tremendous success of the function could be gauged not only by the total of R650 raised for the Bursary Fund, but also by the obvious pleasure derived by everyone present... young, middle-aged and elderly ... at being together on a delightful occasion that linked them all directly with St Anne's.

Highly delighted with the success of the Old Girls' Guild Cheese and Wine Luncheon held at Kloof on September 12, 1978, are (left to right) Pam Gie, President of the Guild, Allison Brown, at whose home the function was held; and Jill Stewart, who convened the committee which organised the luncheon and fashion show, which raised R650 for the Bursary Fund

CHANCE (1977), Sally is at present studying at Winkfield in England and hopes to complete her diploma by the end of the year

CHENNELS (Mrs Rob Matthews), Lynn was married last year after which she and Rob went to live in England, returning in September this year to settle in Johannesburg.

CHAPLIN (Mrs Pilkington), Sylvia has two married daughters and twin daughters, one of whom is nursing at the Johannesburg General and the other teaching in Johannesburg. Sylvia now has five grandchildren. Her Niece VERITY CHAPLIN has just returned from Europe and is looking for a position in Cape Town.

CHEESMOND (1936) (Mrs Struben), Pamela travelled as a journalist in her younger days covering extensive areas from East Africa to North America and Switzerland. She also broadcasted for the BBC. Her two sons both went to Michaelhouse and her daughter, Julia left StAnne's in 1977.

Pamela is now actively involved with the PFP.

CHEESMOND (1936), Dr Eugenie left South Africa in 1962 and practised in Britain (Cambridge) before a spell at the University of Berkely, California. From there she went to East Africa where she was involved in the health service of a newly independent state. Back in Britain she pioneered a revolutionary scheme for treatment of teenaged drug addicts. Became known as the Hippies's Doctor!"

CHRISTOPHER (1943) (Mrs Delany), Elizabeth qualified as an attorney in

1948 and then became a social worker. She still does part-time social work and has one daughter studying medicine at Wits and another still at school.

CLEASBY (1974), Mandy completed her diploma in nursing at Entabeni Hospital in Durban and is now nursing at the Victoria Hospital in the Cape. She hopes to do midwifery at Mowbray and then to travel for a couple of years before doing further studies in pediatrics and psychology. CLOWES (1938) (Mrs Clarke), Isabel is the principal of the Downland Kindergarten in Kloof but this is unfortunately closing down after 22 years. She and her husband are due to visit her daughter and family in the UK and then on to the States where they will see their son and their latest grandson COAKER (1970) (Mrs Graham Edkins), Cathy qualified with a B.Sc in Physiotherapy at Wits and now has her own flourishing practice in Boksburg.

COLE (1976), Desiree has done shorthand and typing and is now at Edgewood College in Pinetown.

DOTTRIDGE (1971) (Mrs Andrew Hargreaves), Fiona and her husband, who is with the internationally-known firm of auctioneers, Christie's, have made their home in London. They were married there at St James Church on September 22, 1978.

DOUGLAS (1943) (Mrs Mitchell), Lorna and her husband, who retired early, have moved from Johannesburg to Elandsdorp where they are now farming. Lorna was on the Committee of the Johannesburg Children's Home for 12 years prior to leaving Johannesburg. They have a daughter and a son. Tragically they lost their youngest son, 17-year-old David while he was doing his military training. He died of a rare illness.

DUNN (1966) (Mrs Mike O'Connor), Ros has been doing exceptionally well in London. After doing her B.A. in Fine Arts at the Natal University in Pietermaritzburg, she took a Teaching Diploma at Durban Tech and then a post graduate course in ceramic sculpture at Goldsmiths University in 1978. While doing this course her lecturer, Ken Bright, wrote a glowing report of her work and urged her to apply for the Royal College of Art. Ros felt this was far too much to hope for but, after submitting a paper and being interviewed before two panels of judges (20 out of 108 reached the judge panels) they eventually chose six students of whom Ros was one! She has been invited during her summer vacation to Teheran to exhibit her ceramic sculpture and she also intends giving pottery demonstrations and lessons and doing terra cotta portraits if she can get the right clay. DU PLESSIS (1974), Louise has just completed her B.A. in Speech and Drama at Durban University and is presently doing honours

in Speech and Drama.

ROBYN McLEOD (1972) her elder daughter is doing her H.E.D. at UCT and hopes to teach in the Cape. JANE McLEOD (1974) is in London where she is sharing a flat with LINDA ADAMS. Jane did a three month cookery course at Prue Leith's and is now working at a restaurant "Le Creperie" in Queensway. In May Ann went over to visit Jane and together they toured Britain and spent a week in Norway. Since then Jane, JANE ROOD, ANGELA DAVIES and LINDA ADDAMS have toured Greece and then travelled on Eurorail tickets in Italy, France, Spain and Portugal before returning to Britain.

FORSYTH-THOMPSON (1970) (Mrs Collins), Jane followed her secretarial diploma, which she did at Durban Tech, with a Holiday Inns Innkeepers Diploma which she studied for at the Holiday Inn University in Memphis Tennessee. She and her husband now live in Johannesburg with their young daughter.

FOSS (1971), Rozanne has done a diploma in Beauty Culture and is a qualified shorthand typist. She now works as a Beauty Consultant in Cape Town after spending a year on a working holiday overseas.

FOSS (1974), Belinda is in her second year of Horticulture which is a three-year course at the Durban Tech. She shares a flat with GILLIAN ADDISON and has been chosen to represent the Natal Women's Netball team. She will be touring with them in July.

FOSS, Carol went to Winkfield at Windsor last year. She completed her diploma course and obtained her Cordon Bleu. In her last term her group were chosen to cook and serve lunch for the Queen. Carol returned home in

n August after touring the Continent.

FRENCH (1971), Gwenfrewi qualified with a B Sc. at the University of Natal in Pietermaritzburg and is now a plant pathologist at the Agricultural Research Station in Bethlehem, OFS.

FURNWALL (1976), Gillian did her secretarial training in Kenya and is soon leaving the Country for Scotland where she will start her training as a nurse in Edinburgh.

G GARLAND (1947) (Mrs John Ward). Jill and her husband, who live in Surrey, visited Australia and South Africa in the first three months of 1978. Their elder son, Johnny, is reading law at Leicester University and the younger, Paddy, is an architectural student at Cambridge. GATHERCOLE (1969) (Mrs Shimwell), Anne married an engineer two years ago and is about to give up teaching as she is expecting her first baby,

GIBSON (Mrs Moore), Peggy lives in Durban and became a grandmother early in 1978. Her elder daughter and her husband, who is a student at St Paul's Theological College, live in Grahamstown. Her younger daughter is at the Michaelis School in Cape Town and her son, Rob, a chartered accountant and keen yachtsman, sailed to Mauritius early in 1978.

GLASHAN (1977), Ning represented South Africa in the Women's Polocrosse team which toured Rhodesia in July, 1978.

GODDARD (1975), Penelope is writing her finals for a teaching diploma at the end of 1978.

GOLDBY (Mrs Ingrid Plant), Ingrid is farming with her husband in the Eastern Transvaal. She has two daughters and a son ranging in age from four to 14.

GOULD (1976), Kathryn completed one year of her B.A. at Pietermaritzburg, then left in 1978 to do a Beautician Course with Guerlain in Paris and will return to University the following year.

GREENE (1971) (Mrs Greville Hast), Rae was sent as an exchange student to Forty Fort, Pennsylvania in 1972. Her "foster parents" there were Dr Terry Smith (an orthodontist) and Mae. After travelling in Europe and America for a few years Rae came back home and married Greville in Nottingham Road. All the way from Pennsylvania, specially for the occasion, were Terry and Mae Smith. Rae has also played golf for Natal and won the British team trophy in SA Championships.

GREENE (1973) (Mrs Peter Morphew), Lynne and her husband were married in the Michaelhouse Chapel on May 13, 1978, and are now farming in the Midlands.

HHALL (1973), Twee is a social worker in Pietermaritzburg.

HALL (1921) (Mrs Joy Tayler), Joy is now a grandmother and spends as much time as possible painting. She belongs to the Highway Art Group.

HAMP (1946) (Mrs Craig Grant), Anne and her husband, who is the doctor in charge of the Donald Fraser Hospital at Vhufuli in Venda, have five sons, three at University and two still at school. Anne trained as a nurse at Thomas' in London after leaving St Anne's, then did her midwifery at the Queen Charlotte Hospital. She returned to South Africa to do mission work and, at the McCord Zulu Hospital in Durban, met her husband-to-be Craig Grant. They were married in Pietermaritzburg from the home of her sister, Katherine, then returned to England via Italy, Austria and France on a three-months' honeymoon. They spent two and a half years in England and Scotland where Craig obtained his F.R.C.S. Ed., then returned to South Africa and the Donald Fraser Hospital, of which Craig was appointed superintendent in 1969. The Hamp family has known much sor

row over the years, for Elizabeth died of cancer just before her 21st birthday; Anne's twin brother, John, was killed in a car accident a few years later; then Katherine, who was married to Walter Martin and had three children, died nine years ago. Benedicta, the eldest, who lives in England, lost her husband, a captain in the Royal Navy, two and a half years ago, and has recently moved from her home in Bath to Devon. HARRIS (1919) (Mrs Kathleen Atkinson), Kathleen umpires a lot in Bowls and does a lot of Committee work.

HARVEY (1975). Deborah is in her final year of training at Grey's Hospital. She hopes to start midwifery at Queen Victoria Hospital in Johannesburg in 1979.

HATHORN (1965) (Mrs Cullis), Cathy spent a year in Hereford on the Welsh border where her husband had a post at the County Hospital. They returned in 1977 after spending three weeks in Scandinavia and three weeks skiing in the Italian Alps. Her husband has now started in private practice in Wynberg. They have a son and a daughter. HAY (Mrs Le Roy), Margaret recently moved from Johannesburg to Lydenburg where her husband manages a trout hatchery. After the rush and bustle of the city, Margaret finds that she has time on her hands and is putting this to good use by growing artichokes and doing pottery.

HAYSOM (1965), Cheetah has been working in New York for the past few years as a correspondent for the Argus Group. She loves the stimulus of New York and thoroughly enjoys her work.

HENDERSON (1944) (Mrs Joan Davies), Joan and her husband live on their farm at Mooi River. They have four grown up children.

HENRY (1964) (Mrs George Errington), Jane and her husband live in Aylesbury, Buckinghamshire and have an 18-month-old daughter, Elizabeth. They came out on a visit to South Africa in 1978.

HERBERT (Mrs Russell), Virginia captained the South African Women's Polo team which toured Rhodesia for a series of tests in July 1978.

HOLMES (1922) (Mrs Eric Stevens), Sheila was widowed in 1974 but is still farming at Gumtree, OFS. She has a son and a daughter.

HOPKINS (1960) (Mrs Reynolds), Barbara and her farmer husband have three children. They are involved with pedigree Herefords and also have a large Friesland dairy. HOTSON (1967), Sally-Ann worked as a Public Relations Officer of Sandton City but left South Africa in 1977 for a holiday in the

States. While there she was offered a position as Manager of a shopping centre in New Jersey, called PARAMUS, however she is now the Advertising and Marketing Director of the entire centre. It has been a fantastic experience and proved a great challenge. She spends weekends in New York which she describes as being both exciting and stimulating. She has recently had a two-week holiday, the first week spent in London and the second at home in Johannesburg with her parents.

HUXTABLE (Mrs Ten Hoorn Boer), Angela has two sons, Myles and Jason, both of whom are now at school.

J JAMES (1960) (Mrs Bresler), Sally and her husband moved to Cape Town in 1978. They have two children at school and a two-year-old daughter.

JOHNSTON (1925) (Mrs John Lewty), Lena, a former Springbok hockey player, came out from England in 1978 and visited St Anne's. Although very impressed with the new buildings, Lena found it very difficult to find any familiar landmarks! She is married to Commander John Lewty, O.B.E., R.N. (retired) and they live in Surrey. During the war Commander Lewty was

in command of the northern Coastguards of Britain and was stationed at Wick, on the northern-most tip of Scotland. Lena headed the team of women who drove a YMCA van across the wild areas of Caithness administering to the troops in the outposts - trips that were often dangerous and always exciting. After the war her husband was put in command of all the Coastguards of Britain and they were stationed in London but she often went with him on his inspection trips to far-flung places.

IOHNSTONE (1977), Gillian is studying for a legal secretarial course at the Durban Tech and next year she plans to do teaching at the Pietermaritzburg Training College

KKRANIDIOTIS (1970), Poly has done her M. B., Ch. B, at Cape Town University and is now an intern at Edendale.

Dr KRANIDIOTIS

Poly Kranidiotis graduated as a Doctor of Medicine from Cape Town University at the end of 1977 and is now doing her housemanship at Edendale, outside Pietermaritzburg where her family lives.

In 1979 she plans to work at Addington Hospital and hopes eventually to specialize in paediatrics.

KRAUSE (1963) (Mrs Simon Steward), Di exhausted herself at school and a year at UCT proved too much! However, after three months at Perugia University and travelling around Italy she began gathering momentum again and went on to England to do two very interesting courses with 'Look and Learn'. Then, after Queen's Secretarial College in London it was back to South Africa and a fascinating job with Harold Jeppe at the Lidchi Art Gallery. In 1968 she married Simon Steward who was in the British Army. They lived in England for two years before returning to Johannesburg and then on to Malawi. In 1977 Simon was accepted at a Business School in Boston after which he was employed by Chase Manhattan in New York - for Diana a stimulating year of art galleries, museums, theatre and voluntary teaching. Finally, a transfer back to Johannesburg where they now live, on her parent's farm, with their two daughters, Nicola and Henrietta

LLADLAU (1965) (Mrs John Platter), Erica and her husband and baby son, Cameron, have left Johannesburg to live on a wine farm at Franschhoek

LADLAU (1973) (Mrs Mark Johnson), Jane and her husband, who have been living at Natal Estates, expect to move into their own home at Umhlangeni in May 1979. Their son, Andrew, was born in September

SARAH SMYTHE (1964-1968) (Mrs Julian Dottridge) recently returned from a two-year stay in Canada. The return flight home was somewhat unusual in that her little girl was only 12 days old! Here Sarah writes a few paragraphs about their experiences of Canada.

In April my husband, Julian, and I landed in Windsor, Canada, having come from South Africa via Israel, Greece, Britain and the States. Windsor is situated in Essex County, Southern Ontario close to the American border and Detroit. We found many advantages living so close to that huge metropolis and we often went across to various arts and sporting events as well as to ship - the States being cheaper.

Coming from Natal we were somewhat surprised to hear Essex referred to as the Banana Belt of Canada. Usually this most southern tip of Canada does experience milder winters than the rest of the country (except British Columbia) but the winters we had were the most severe in living memory! Everything is geared for the cold so it wasn't as bad as we had anticipated but even so I did feel sorry for my husband setting off to chip the

ice off the car in -16°F temperatures before he drove to work.

We managed to travel quite a lot while we were in Canada. The first spring we took our son, Simon, then four months old, for a holiday in the sun. We flew to Florida, then a day in Nassau before joining friends on Norman's Cay, A small unspoilt island in the Bahamas.

A few months later my parents came over and we motored north to Algonquin Park then to Ottawa, Montreal and Quebec City and south through Maine to Boston. On the way back we stayed with Allen and Shelagh Humphrey (nee WEST, 1964-1968).

Later that summer we went camping through the Smokey Mountains down south to New Orleans. We also went away as often as possible to camp at different places on the Great Lakes over weekends.

Our last holiday was out west in the spring of 1978. We flew to San Francisco for a week, then to Vancouver and finally spent five days motoring through the Rockies.

While we were in Canada we had two children, Simon, born in October 1976, and Caroline who was born just 12 days before our departure in July 1978. So we flew home to South Africa having doubled our family and having had a most enjoyable two years in Canada.

After six months in Johannesburg Julian has been transferred to Pietermaritzburg where we will settle in January 1979.

STACEY (Mrs Hewlett), Jennifer's husband, Malcolm, died very suddenly on March 5, 1978, just seven weeks before her sister, Anne Holland, was killed in a terrorists' ambush near Fort Victoria. Jennifer has left

Chisumbanje Estate, the huge wheat and cotton concern near Chipinga on Rhodesia's Eastern border, of which Malcolm was General Manager, and after spending some months with her mother at Bromley, moved to Salisbury, where she has returned to nursing.

STAINBANK (1944) (Mrs Keith), Elizabeth has two daughters at St Anne's now, with the third daughter starting in 1979.

STAINBANK (1965) (Mrs Roberts), Katherine is living at Eston and has two children, Bronwyn aged six and Gareth aged three. STEVENS (1966) (Mrs Fagan), Mary left Rhodesia in 1972 and now lives in Hillcrest. S

TEWARD (1931)(Mrs Hodgson), Kathleen's husband has retired and they are living in Johannesburg.

STOTT(1965)(Mrs Slabbert), Heather taught for four years at the Westville Senior Primary but now is fully occupied looking after two daughters, aged five and two.

STRUBEN (1977), Julia is studying for a B.A. in French and English at UCT. She is in Fuller Hall Residence where her aunt Dr Eugene Cheesmond (1932-1935) roomed in 1936!

SUTTON (1945) (Mrs Damant), Lil and her husband left Johannesburg on 12th August for a two-month holiday overseas, in Europe, America and Canada. Included in the itinerary is a visit to Puerto Rico where

30
they will spend several days with a Spanish family whose daughter lived with Lil's family here in Johannesburg, as an American Field Scholar. Her family is grown up - a son, Graham who is in his final year of a legal B.Comm. - a daughter, Gillian who works as a secretary and another son, John who writes his Matric this year.

TTICKTON (1968), Toni is a research assistant for the SA Institute of Race Relations in Durban.

TURNER (1975), Sue is in her second year of nursing at Grey's Hospital in Pietermaritzburg.

TURVEY (1977), Kay is a B. Journalism student at Rhodes.

VVAN DER BYL (1972), Yvonne plans to be married in July 1978 and will then be living in Cape Town.

W WALKER (1932) (Mrs van de Castele), Dorothy, who lost her first husband in the Second World War and her second husband who died of leukemia, recently had a wonderful trip abroad touring Northern Ireland and visiting her stepdaughter in Brussels.

WALKER (1956) (Mrs Todd), Rosemary is still living in Big Bend, Swaziland, where they have been for the past 15 years. She has two sons and a daughter, who is at St Anne's.

WALKER (1961) (Mrs Glen Christie), Sally's husband, who works for Nedlloyd Shipping Company, has been transferred to America for five years, after which he will return to Durban. They have a two-year-old daughter Julie and a son born in August 1978.

WASHINGTON (1976), Kathy is a pharmacy student at Durban Tech.

WEBER (1945) (Mrs Harold Hunter), Cecilie trained as a secretary in England after leaving school and held all sorts of interesting jobs in London for some years. She saw a good deal of Britain in that time and travelled extensively on the Continent, before returning to South Africa and eventually moving to Canada, where she married and now lives in Montreal. A senior position with an international company involves business trips principally to France and the States, and she was recently sent to Toronto for some months to help establish a new law department for her company. Cecilie and her husband, who is Canadian, are much involved with church work and they travel as much as they can when time permits.

WEBSTER (1908) (Mrs Florence Tayler), Florence was only eight years old when she started at St Anne's in 1900. Another Old Girl she keeps in touch with is Una Buningfield. Florence is living in Sea View.

Jill White (Mrs Dick Cuff) seen with her trophy after winning the SA Women's Bowling Masters Singles tournament for the second successive year.

JILL WHITE (1953) (Mrs Dick Cuff) holds the 1978 bowling title of SA Women's Masters Singles Champion. She won this in Pietermaritzburg, for the second time, on 11th March, having won it first on 5th March, 1977, the day of the St Annes Centenary celebrations, in Port Elizabeth. This competition can only be entered by a select band. Clubs must submit a player's name to the SA Selection Committee and from these 16 are chosen to play off for the title. Jill's outstanding success in winning this for two years running was recognised by a SA Sports Merit Award in Pretoria in July, 1978, by Piet Koornhof, Minister of Sport and Education. Only two other Women Bowlers have previously received this award.

In 1960 Jill and her family emigrated to South Africa from Northern Rhodesia and settled in Pietermaritzburg, and it was only in 1969 when she joined the Scottsville Bowling Club that she began to take bowls seriously. Since then, with the coaching of her husband, also a keen bowler, and the support of her three sons, she has gone from strength to strength. She plays on average twice a week and sometimes during the weekend. She has won all the Natal Inland District competitions at least once, including in 1974 the Champion of Champions title when the Singles winner from each club and also the District Singles Champion meet on a knock-out basis.

WHYSALL (1922) (Mrs Oehley), Dorothy is the owner of the small Norwegian Silver Shop in Durban. She is grandmother to 14 children, mostly boys, who, as she says, are not much use to St Anne's.

She also has three adorable great grandchildren WINDELER (Mrs Kinmond), Caroline lives in a flat in Johannesburg and has a very interesting position with an advertising agency in the city.

WRIGHT, Heather, who graduated with a B Comm from Natal University in Pietermaritzburg, is working at Lever Brothers in Durban,
