Observer Mission of the
AFRICAN NATIONAL CONGRESS

t0 the United Nations

INVITATION

To: All South African Youth and Students in Ndrth America.

Dear Compatriot,

The ANC Youth Section is greatly honoured to extend an invitation to you to participate in a conference for South African Youth and Students in North America. This conference, organised by the ANC Youth Section and co-sponsored by Michigan State University, Will be held under the theme "OUR EDUCATION IN THE SERVICE OF BUILDING A NON-RACIAL AND DEMOCRATIC SOUTH AFRICA". It will take place from 10 to 14 August 1990 at Michigan State University in East Lansing, Michigan.

The purpose of the conference is to provide a platform for the South African Youth and Student vcommunity in North America to focus in a meaningful way on the present and future of our country within the context of the rapid.political transformations currently underway.

More specifically the conference would serve the following objectives:-

a) To provide an opportunity for an in-depth analysis of the political developments in South Africa, and to

801 Second Avenue. Suite 405 0 New York, NY. 10017 0 (212) 490-3487

FAX: L212) 972-6499 0 TELEX: 225602

acquaint the participants with the perspectives of the African National Congress.

b) To explore the role and contribution of South African Youth and Students in North America towards the creation of a non-racial democratic society and specifically to ensure that in our present endeavours we become sensitised and responsive to the challenges and needs of a post-apartheid South Africa.

Further information on the conference is enclosed herewith. In order to secure a place at the conference please confirm your participation before July 20, 1990.

Looking forward to seeing you in Michigan.
