Attention Cde S. Mabizela

Dear Comrade Thabo,

Pat Moloi

The ANC Chief Representative in Oslo has expressed understandable concern about individual members of the ANC who find some pretext to visit Scandinavia, and subsequently refuse to return to wherever they came from when they get there. With the problems which beset the ANC representation in Stockholm, we should view such concern in a serious way.

The above-named has found his way to Oslo and has told Chief Representative Thandi Kankoe he has no intention of returning. He is reported to have been on your staff. Can you explain why he is being allowed to remain in Norway in defiance of the authority of the Chief Representative?

Amandla!
