RE: REGIONAL CONSULTATIVE WORKSHOP ON LOCAL GOVERNMENT.

We have pleasure to invite you to a Regional Consultative Workshop on local government. The object of the workshop is to receive and discuss a report of the Local Government Negotiating Forum (LGNF) the invitation of political parties (including the ANC) to participate in the Greater Soweto Forum/Metropolitan Chamber and the proposed Greater Pretoria Forum.

The Workshop will also focus on the relationship of the Alliance and SANCO local, sub-regional and regional structures vis-a-vis local negotiations.

We shall therefore be pleased if the alliance and SANCO structures could ensure maximum participation in this workshop.

The LGNT report has been sent to all Alliance and SANCO structures. We shall be pleased if each organisation could ensure that its branches receive copies to enable them to

prepare for the workshop.

We are looking forward to your participation.

Yours in Struggle
