Thank you for your telefax concerning the unavailability Of comrade Deputy President for the proposed satellite transmission that was scheduled for March 25. Programme producers have been advised accordingly with regrets.

Italia Radio of the PDS (ex Partito Comunista) requests a telephonic interview on Friday 22nd with either comrade Walter Sisulu, Joe Slovo or Ahmed Kathrada. The interview is scheduled for the afternoon at 16H30 South African time and will be broadcast live throughout Italy. We hope comrade Mosie has received the parcel we sent last week. Our friends tried everywhere but could not find translations into Eninsh of material contained therein.

Amandla! Maatla! Power to the people!
