This message comes to you.-
from the Southern Africa
~ Project of the Lawyersâ\200\231 '
Committee for Civil Rights
Under Law. The Lawyersâ\200\231 Committee was brought into
lâ\200\230being by President John F Kennedy in 1963- to provide

south. Today, we continue this work through litigation to
sjsecure equality in employment, education, voting rights,
housing and every other area of American life.

economic machine? How can an 11-year-old child
endanger the security of the state?

Constant monitoring, public meetings, reports, articles and
affidavits chronicle the agony. When history looks back
on South Africa, no one inside or outside South Africa
will be able, to say: "We didn't know." i
Men and women of goodwill must speak out. We join you
