Dear Comrade Tikly

Re: SOMAFCO Kitchen Staff

May I refer you to my letter of 1st August to the Regional Treasurer, a copy of which was sent to you. I am exceedingly disturbed by the manner in which the Treasury Department relates to the school. In the said letter I tried to point out the irregular manner in which this department terminated the services of some members of the kitchen staff without consulting the school. Again Ntombikayise reports that ten (10) other Tanzanian kitchen staff have been retrenched without informing the school.

The following workers have been dismissed by the Treasury:-

<u>Name</u>	<u>Length of service</u>
Aveline Bennet	4 years
Mwajuma Said	4 years
Steven Peter	3 years
Moshi Rowedi	2 years
Anna Munukwa	2 years
Asha Mustafa	3 years
Halima Wazili	1 year
Magdeline Charles	1 year
Agnes Ignos	1 year
Teresa Yasinti	1 year

Comradely Tikly such unilateral decisions are bound to cause serious confusion and do not auger well for inter-departmental healthy relationship. We have to protect the ANC image.

On the 3rd August, comrade Maduna and I had to go and see the Labour Officer about the then dismissals of the labourers.

I am, therefore, appealing to you to convene a meeting between the school office and Treasury to iron out this misunderstanding. I would also like the Regional Treasurer to be present. May I suggest Monday 27th August at 09.00 hours.

Amandla!
