Dear Comrade Kay,

Following on the application made in January for sponsorship of 4 ANC members for a study course at the Alliance Francaise, school of french language, we hereby make this application for extension of sponsorship of the 4 to the next level of study.

The entry cost of studies at level II for the 4 comrades will be K150-00 i.e. K40 per student minus K10-00 discount for the 4 jointly sponsored. It was our plan that this must be a project through which 4 students would be enrolled at each symmester and 4 completing. This project was presented to IUEF for sponsorship, which then depended on ANC approval. This project proposal is now with Comrade Moosajee for finalization. We hope to get this approved shortly such that the IUEF can then compensate us for the expenses incurred at the Alliance Francaise.

Amandla! Maatla!
