VILLA SUCCESS

*Edoardo Villa's latest one-man
show has proved a resounding
success.*

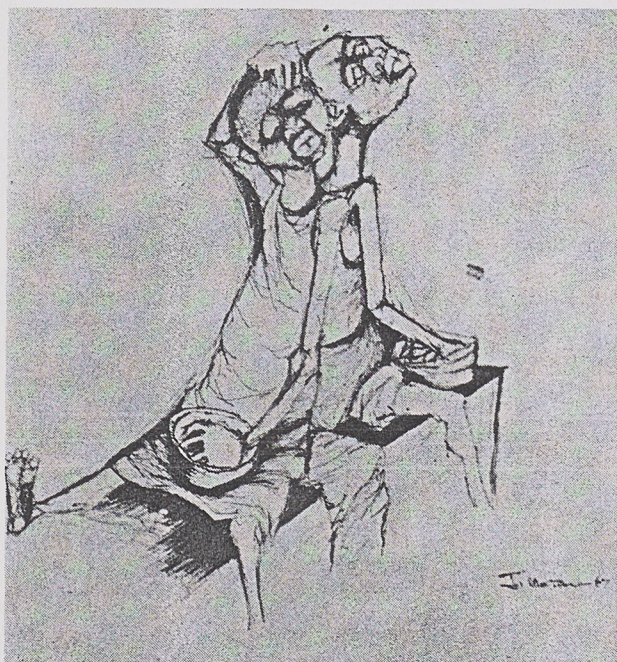

*On the exhibition held at the
Egon Guenther Gallery during
October, the sculptor had 19
sales, constituting his most
successful show. The pieces
sold were in forged steel and
bronze casts, and ranged in
price from R225 to R4,000.*

*Two of the acquisitions, Egon
Guenther reveals, were by a
collector in New York.*
