Dear Comrade,

Re: Themba Thabiso - Permission to visit family London

The above is a bona fide member of the African National Congress of South Africa doing a technical course in Cinematography at one of your institutions in Berlin.

He has requested permission to visit his family in London on 28 July, 1977.

The African National Congress has acceded to this request.

Our request is that you allow this comrade to visit his family as above.

Yours in the struggle,

pp Alfred Nzo
