### **STATEMENT OF ANC WOMEN'S LEAGUE NEC - 01/06/1992**

The emergency meeting of the ANC Women's League NEC of 30/05/1992 decided to suspend from the NEC - pending an enquiry - those of its members who are affected by the suspension of the PWV ANC Women's League REC. This decision has been communicated in writing to the two comrades affected, namely, Winnie Mandela and Nomvula Mokonyane.

The NWC of the ANC is setting up a commission of enquiry whose terms of reference cover mainly the attempted demonstration that led to the suspension. It is envisaged that the commission of enquiry should come out with its finding by the end of the week.

The ANC has procedures and structures through which complaints and grievances can be raised. The view taken by the NEC of the Women's League is that a demonstration against the ANC by its own members disregarded ANC procedures and structures of dispute resolution and put the movement into disrepute.
