Dear Comrade,

re: CONDITIONS OF DETAINEES AT RC

Concerning the above matter which has been raised several times with the regional military Command (RMC - Lusaka) we hereby inform you that the Legal Department after consultations with the NEC, ECC and the RPC will visit the RC in the course of the week of 22-28 February, 1988. The need to urgently inspect the conditions at RC has been highlighted in a letter by the Health Department on the conditions of Cde Ngcambaza. We hope this visit to the RC will be in line with your request for more involvement of our department in alleviating of conditions of comrades held by the movement for breach of indiscipline.

We shall surely need the cooperation encouragement and support of the MHQ and NAT in this.

Maatla!
