Attention: Dr Z. Mokoena.

Dear Comrade Zakes,

Regret the delay in acquiring the enclosed information you requested. I have just recently received it from the suppliers and I am sending it by express mail as the telex lines to Lusaka are not functioning.

The Finnida consultations will be in Lusaka on the 14-15th February and I will be there. Will take that opportunity to brief you on the VLTL/Dakawa project.

Best regards,

Mohamed Hussein
