AMANDLA TOUR PROJECT OF OCTOBER, 1984.

FROM: The Office of the Chief Representative to Canada.

Dear Friends,

The African National Congress wishes to express its deep and sincere appreciation to all those sponsors, donors, committee members and friends who provided financial, logistical and manpower support for the realisation of the projected Amandla tour of Canada which had to be unfortunately 'cancelled'. (X)

The experiences gained in the planning and organising of the ~~tour project~~ ^{conference} will assist us in any future plans in this field.

Please accept our honestly felt regrets for incurring expenses on a project that did not materialise. However the experience and knowledge gained from the venture will be of value in the future undertakings of this nature.

The reasons for the cancellation have already been elaborated by Peter Birt in a letter.

We look forward to your continued support for the struggle of our people who are presently engaged in sustained battles against the apartheid regime of Pretoria.

Yours truly,

Yusuf Saloojee,

Chief Representative to Canada
African National Congress.
