We are pleased to advise you that your application for a Card has been approved.

The Card is being prepared and will be sent to you within two days of the date of this letter.

To reduce the number of cards being stolen in transit we have had to take some drastic steps, one of which is to send clients' cards by registered instead of ordinary mail. This means that in future you can expect an

advice from the Post Office to collect your Card. We realise that this may cause you some inconvenience but should appreciate it if you would

collect your Card as soon as you receive the notification. Please bear in mind that the Post Office insists on viewing identity documents before releasing Registered Items.

If you do not receive your Card within 7 days of receipt of this letter please contact our Lost Card Department so that we can arrange for your

Card to be replaced and also take the necessary steps to try to avoid fraud on your Card. The non-receipt of your Card can be reported at any one of our branches or by telephoning our Lost Card Department at one of the following numbers:

(011) 403-5300

(021) 419-5062
