Dear Dr Eloff

I would like to invite you to participate in a small workshop to discuss the theme of **democracy and development in comparative perspective**. The workshop will be held in Johannesburg on Friday 15 May.

In order to facilitate our discussions, the Urban Foundation has invited **Professor Peter Berger**, Head of the Institute for the Study of Economic Culture at Boston University to lead a **team of four international academics** to participate in the workshop and share the experience of other societies undergoing fundamental transformation. This comparative input will provide the substance of our discussion on other country's experience and what we might learn for South Africa.

The workshop will start at 8.30 am on Friday morning and end at 6.00 pm that evening. Enclosed you will find a draft workshop programme and a list of invitees to the workshop.

I do hope you will accept this invitation to participate in what we believe will be a very useful and important workshop. Please RSVP to myself, Ann Bernstein if you want to talk about the workshop, or Jeanette Luthango at [011] 403-5500.

Yours sincerely,

A M Rosholt
