Dear Marjatta

Thank you for your letter dated 14 December 1989 which I received yesterday. We were off between Christmas and the New Year and this may account for it. You don't acknowledge my letters to you and I wonder if you receive them? Could you let me know.

As regards the airline ticket stubs Felicity, to whom I spoke today, says she has lost hers. Would it help to save you some money if she wrote testifying to this? Let me know. I'll write again to Ike but am worried that it may all be too late.

I have today sent you a telex from Felicity giving details of the estimated costs for her child, Sifiso. It adds up to an additional £100 per month. This does not include a child minder as Sifiso would go to school here.

Felicity tells me that she has got herself a nice flat a reasonable rent. Though its some way from the PNL she has worked out a route which does not take much time.

I have not seen Nonkululeko and Ike for a while but understand that they are both well.

Robert has been staying in a flat over the holiday period, sharing with Azariel, and he has enjoyed that. He has problems and I trust that, in time, these may be accomodated if not solved.

I hope you are well and send you warm good wishes for the New Year/Decade.

Sincerely yours

Ethel de Keyser
