FINLAND

Dear Comrade

We hereby wish to place on record our sincere thanks and deep appreciation for the kind hospitality accorded our President, Comrade Kay Moonsamy, and our Nordic Co-ordinator, Comrade Patrick Msizi, during their recent visit to your region.

We wish to thank you especially for the assistance you rendered in arranging the programme for our delegation, as well as for providing accommodation and other facilities. The latter mainly in regard to the medical assistance and shoes provided for Comrade Kay.

We have requested our London Office to have your name placed on the mailing list for the SACTU publications, Workers Unity and News Flashes, as well as for policy statements, etc.

With best regards, and we commend you for the valiant work that you are doing in your region for the cause that we serve - the liberation of our Motherland - South Africa.

Yours-in-struggle

John Nkadimeng
Generakl Secretary
