TASK GROUP 1 OF SUB-GROUP 1 OF WORKING GROUP 5

30 MARCH 1992

CHAIRPERSON: C Dlamini

SCRIBE: O Ganie

The meeting commenced at 10h25.
No agenda was available for this meeting.

Mr Bartlett informed the meeting of the change in times as discussed by the steering committee:

10h15 - 11h00 Task Groups
11h00 - 11h30 Sub-groups
11h45 - 13h00 Plenary

It was also requested by the WG 5 Steering Committee that no meetings of Working Group 5 be called before 27 April 1992.

It was agreed that should the Task Groups be required to meet sooner, they should do so when requested.

Mr Bartlett agreed to take up with the Steering Committee:

5.1. How do other groups deal with the recommendations of the Task Groups of Working Group 5?

5.2. Recommendations of Task Group 1 of Sub-group 1 of Working Group 5 held on 9 March 1992 do not seem to appear on the minutes:

- release of political prisoners and exiles
- media
- violence

A request to be made to Task Group 3 of Sub-group 1 of Working Group 5 to investigate the question of the integration of the security forces, which it was felt to be the terms of reference of Working Group 3 (Interim Arrangements). This integration was very important to the question of bringing an end to violence.

The question of integration of the civil service was also discussed and it was felt that this was an overlap with Working Group 3 (Interim Arrangements) and Working Group 4 (TVBC States). No firm recommendations came out of the discussion. The matter would be taken up at Sub-group 1 level.

DRAFT REPORT OF TASK GROUP 3 OF SUB-GROUP 1 OF WORKING GROUP 5

30 MARCH 1992

1. Attendance

See Addendum 1

2. Approval of minutes of 9 March 1992

No minutes were submitted for approval.

3. Time scales:

31? It was decided that previous recommendation by the Task Group for the receipt of substantive

submissions from other Working Groups (14 April 1992) for the holding of Codesa II (24/25

April 1992) and for the establishment of an Interim Government (30 June 1992) need not be

amended, although it was recognised that these may be affected by events such as a proposed

adjournment of Codesa for Easter, and the final date for Codesa II, which is still to be

determined by the Management Committee.

4, Meeting of the DMC chairperson with the Secretariat and the Working Group Steering Committees on 24 March 1992:

The chairperson read the report of this meeting, during which the following issues were noted:

4.1.

4.2.

4.3.

Concern was expressed that the meeting took place in the absence of the Steering Committee

of Working Group 5, but it was noted that the Chairperson of the DMC had arranged a meeting with the Steering Committee of Working Group 5 for Monday 30 March 1992. .

Concern was expressed that the DMC had apparently not taken note of the list of critical

issues with which Working Group 5 had provided it, and Mr Y Moolla was requested to draw

this to the attention of the DMC.

It was agreed that the suggestion by the meeting that the Task Groups attend plenary sessions of the other Working Groups to which they are assigned be accepted.

5. Next meeting

It was agreed that the next meeting will be convened in consultation between the chairperson and the Steering Committee, and when the circumstances demand it.

6. Closure.

ADDENDUM 4

REPORT OF THE MEETING OF TASK GROUP 4 HELD ON 30 MARCH 1992

In their minutes of 9 March 1992, of Working Group 4, there was sufficient consensus th
at RSA citizenship

be restored to TBVC citizens.

However there are TWO viewpoints:

1: Citizenship should be restored immediately

2. Citizenship should be restored after testing the will of the people, and if such exp
ression of will is in
favour thereof.

It has been noted that Bophutatswana expressed reservation.

Recommendation:

Task Group 4 (Sub-group 1, Working Group 5) strongly recommends that the issues of citi
zenship be placed

on the agenda of todayâ\200\231s plenary for brainstorming. The Task Group further reco
mmends that its meeting should

DRAFT REPORT FROM TASK GROUP 1 OF SUB-GROUP 2 OF WORKING GROUP 5, 30 MARCH
1992

Rapporteur: Mr P Gastrow, Convenor of Task Group 1

1. It was agreed that nothing has emerged from the minutes of the sub-groups of Working Group 1 to enable the task group to proceed with work on specific issues agreed upon by Working Group 1.

2. It was agreed that, in principle, the task group would prefer to meet on Sunday evenings rather than on Tuesdays, should that become necessary.

3. A list of discriminatory legislation (68 Acts) was circulated.
It was agreed that:

3.1 The task group needs to be proactive in respect of the list of Acts, rather than wait for Working Group 1 to deal with them.

3.2 The convenor of the task group should approach the SA Law Commission with the request that, in respect of each Act mentioned on the list, an explanatory paragraph should be provided to enable the task group to categorise the various Acts.

3.3 These explanatory paragraphs should assist the task group, at its next meeting, to categorise the Acts into those that fall within the Terms of Reference of Working Group 1 and those that do not.

3.4 Task Group 1 should then communicate with Working Group 1 and proceed working upon those Acts which fall within its Terms of Reference.
