Dear Comrade Skweyiya ,

Re : Sponsorship for Law Adaptation Course, Ghana

We hasten to take this opportunity to congratulate you in your elevation to head this new department amongst the structures of the Movement. We have no doubt that given your experience and level of maturity you will amply discharge your responsibilities with imagination , vigour and dedication.

Having said that, we now wish to acknowledge the receipt of your letter dated 26 March 1986 and, to assure you that every effort will be made to secure the sponsorship your Department is seeking. As indicated in our telex to you dated 7 April 1986, it is essential that you immediately let us have the names of the prospective candidates as well as to indicate the date when this course is expected to get underway. We are in the process of revising our project documents in time for the Trepartite Review Meeting at the end of this month. We shall need to give advance notice for the inclusion of the names for funding during this Cycle or the forthcoming one commencing January 1987.
