Edsi-bind

COMPLETE CREATIVE PRESENTATION

Your corporate image can now be standardised and applied to all your presentation material. 1?

From document binding through to your company's total personalised presentation needs, Edsi-bind can now fulfill your complete corporate presentation requirements, from design to delivery of finished products. All wallets, ringbinders, covers and slimsters are designed to carry your corporate identity and colours, with your logo, thus presenting your company in a professional way.

All these high quality products are manufactured from the finest materials at Edsi-bind's own facilities in Pinetown. Their consulting services are available to analyse, identify and design your special presentation needs. All products in the Edsi-bind range can be ordered in economical quantities, saving you money by enabling you to place your orders annually, while stocks are drawn from Edsi-bind's factory as and when required, eliminating storage problems, and only invoiced on delivery.
