I trust you received my letter of 24/4/80. While anxiously,
awaiting your organizational comments, I thought I might bring you
up to date on some of our activities here.

At present I am busy visiting service clubs like the Lions,
Rotary and Apex with films on Azania. The films, "Last Grave at
Dimbaza", "Tale of two Citiesâ\200\234 Jo'burg end Bogefe", end "There is
no Crisis" have provoked unprecedented eympheth
and interest on the
evils of Apartheid. A film evening is usually followed by a lively
Cueetion time. I do my best wbtth the aneaers.

I'm also enclosing a reply I received from Denis Healey.

I would like to know more on the campaign to release prisoners.

I have written today to Prof. Adam Snell of the University
of Western Cape to get mere details en the families of thoe killed
and deteiï-\201ed as a result of the Eleie'e uprising. We are trying to:

arrange a series of 'aeeptione' cf helpless femiliee who have lost
a 'bread winner'.
